CHALLENGE ISLAND

CHALLENGE ISLAND Virtual Classes STEAM Careers (K-5): Pro Basketball

This virtual class is an enrichment opportunity for students to grow their skills and knowledge in critical thinking, problem-solving and STEAM (science, technology, engineering, arts, math) fundamentals! This session is part of our Career Adventure series, where kids can get a taste of some of the world's most exciting jobs, and work to solve STEAM challenges related to those careers! In this session, we will learn about basketball as well as projectile motion, and students will be building their own mascots, basketball courts and launchers to see how high they can score! Upon registration, students will be sent a Zoom meeting link, and also a "scavenger hunt" list of materials that they should have handy, in order to build or solve the challenge presented in the class. (These will be items that should be mostly available around home, and substitutions will be more than fine, if you don't have all the items.) In the class, we will teach about the career and its connection to STEAM concepts at an age-appropriate level, then have the students work on the challenges and present their results to the other participants. Our

classes emphasize learning, connecting with other students, and positive reinforcement to help students make the most of this home-based experience! We look forward to seeing you on Challenge Island!

CHALLENGE ISLAND Virtual STEAM Camp (Grades K-5): STEAM TANK Entrepreneurs©

Calling all innovative and inventive kids to an adventure in STEAM and entrepreneurship! You and your tribe will design, create and open new businesses and associated product lines every day: From pet shops to restaurants to fashion and sporting goods stores; from ice cream parlors to toy stores to pop-up holiday shops. Can you convince the city planners that your tribe's business belongs in the new Challenge Island Mall? Don't miss out on this one-of-a-kind entrepreneurial experience! This all-virtual camp is a perfect way to combine STEAM, problem-solving, and fun in a safe way this summer! Each daily workshop will include 2 hours of hands-on activities. Students will NOT be staring at a screen the whole time; instead, we'll be giving them enough instruction to help them learn the fundamentals of the lesson, and then we let them loose to create and build! ALL REQUIRED MATERIALS ARE INCLUDED in the camp material fee; if you are in Oakland County, these will be delivered to your doorstep before the camp at no extra charge, so that you'll have everything you need to get started! If you are outside Oakland County, please contact us and we will work with you to make other arrangements. (Full details regarding materials and meeting links will be emailed to you after you register.) The course is taught live by STEAM professionals from right here in Michigan, who encourage and celebrate the students' accomplishments. We keep course enrollment small, to allow for plenty of interaction between the instructors and the students, and between the students themselves; this will be an opportunity to make new friends from other communities and even other states! We look forward to seeing you this summer on Challenge Island.

VIRTUAL SIBLING CONFLICT AND TEASING - Parents Only

Most families struggled with sibling conflict and teasing before we found ourselves in this situation of ""shelter in place."" In some cases, there is sibling bullying. Sibling teasing and bullying can sometimes cause more harm than the teasing kid or bully at school. Parents, learn strategies to use to help manage conflict and unfriendly teasing. If our kids learn to manage their emotions at home, work through conflict, handle sticky situations, and deal with annoying behaviors they will be able to respond better to these situations in school. The last half hour is for questions.

KIDS EMPOWERED VIRTUAL SUMMER CAMP: Slime Time (Grades 2-5 girls and boys)

Kids LOVE slime! At Kids Empowered we use slime in lots of fun ways to teach social skills and emotional management. One way we use slime is to represent sticky situations kids face on the playground, in the classroom and at home. Kids will learn how to recognize they are in a sticky situation. Kids learn strategies to respond to unfriendly classmates, friend comments and actions, sibling conflict and everyday challenges. Kids will need the ability to make their own slime on twice during the session. Each day, different colors of slime will represent their emotions and they will learn ways to manage them. We will even practice mindfulness with slime. Lots of fun and role playing to handle sticky situation in this camp. We will use the movie Inside Out to go along with the colors and how the brain responds with different emotions. Materials needed to participate: 3 sheets of 12x18 construction paper or 1 poster board, glue stick, scissors, crayons (Materials for a poster activity emailed) Slime ingredients (½ cup glue, 1 teaspoon of baking soda, 1-2 tablespoons of contact solution, 3 drops of washable paint or food coloring) KIDS EMPOWERED VIRTUAL SUMMER DAY CAMPS - Girls and Boys Empowered/Kids Empowered has provided empowerment programs for thousands of children for over 21 years.
