

2017 Summer Elementary Academic Review

Math and Reading REVIEW

July 24-August 11, 2017,

at Berkshire Middle School

Classes meet Monday-Friday, 9 a.m.-12 p.m.

3-week Academic REVIEW

Fee: \$385

The Summer Reading and Math REVIEW programs are designed for students who have completed kindergarten through fifth grades and need math and reading skill review and reinforcement.

Classes reflect the Birmingham Public School district's reading and math curriculum and will be taught by BPS staff.

**We encourage
you
to register
early —
Space is limited!**

**For a full day of enrichment fun...
ADD AN AFTERNOON CAMP!**

The summer review location is bustling in the afternoon with enrichment and recreation classes for your child. Students enrolled in camp after summer review will be escorted from the academic program to lunch and then to camp to continue their exciting day!

IMPORTANT INFORMATION: If you choose to add an afternoon component to your child's elementary academic summer review program, please register online at www.communityed.net. To correspond with the Elementary Academic Review program, register for camps that begin at 12:30 p.m. at Berkshire Middle School during the three week summer review program.

Exiting 5th Graders: Advanced Course Offerings

June 20-July 7, 2017 at Seaholm High School

Please note that these classes are not on site with Summer Fun Camps.

ADVANCED MATHEMATICS

(Exiting Grade 5)

Fee: Resident \$210.00 / Non-Resident \$210

June 20-July 7 (No class on July 4)

Monday-Friday • 7:45-9:45 a.m.

This class is offered for students who completed 5th grade during the 2016-2017 school year. This class reflects the Birmingham Public School District's math curriculum and will be taught by BPS staff. This comprehensive class is structured for students who want to sharpen their math skills. Emphasis will be placed on utilizing skills and applying math concepts to problems and projects. This course will also help prepare students for middle school by focusing on the upcoming school year's concepts as well. This math based enrichment course aims to challenge the student who is already excelling in mathematics during the regular school year. Early bird discount if you register before May 25.

BOOKS: EDUCATION, ENTERTAINMENT & ENRICHMENT

(Exiting Grade 5)

Fee: Resident \$210.00 / Non-Resident \$210

June 20-July 7 (No class on July 4)

Monday-Friday • 10:00 a.m.-12:00 p.m.

This class is designed to help students exiting 5th grade to read and understand novels. The class will be taught using the literature circle method allowing students to master vocabulary, comprehension, summarizing, and author's viewpoint. Students will incorporate reading and writing through their daily practice. Titles may include, but are not limited to: *Maniac Magee* or *Bridge to Terabithia*. Informational texts, articles, and multi-media will be included to aid in comprehension of the chosen novel. Early bird discount if you register before May 25.
