

2018 Summer Camp Guide

Welcome

Dear Community Members,

Welcome to the 2018 BPS camp brochure! I realize that our days

are cold and unpredictable, but it's never too early to turn our attention to the warm days of summer. I encourage you to peruse these pages with your student and find the program that's a great fit for them. You'll see within this brochure that we have something for everyone, each and every camp exciting, fun-filled, engaging and very affordable. You'll find our teachers and coaches to be highly skilled in what they offer and dedicated to making your child's summer a super one!

Don't forget the power of learning through "play." Our programs compliment the school year and provide participants with a focus on enrichment, recreation, sportsmanship, social skills and more. I am proud of the many opportunities we offer our students and summer is no exception. You'll find BPS pride in each and every offering. Enjoy your planning for your child to have a terrific summer! We are here to make that happen!

Sincerely,

Dr. Daniel A. Nerad, Superintendent of Schools

FULL DAY CAMP COMBINATIONS AND KIDS CLUB OPTIONS

Create your day of fun...mix and match with camps
at Birmingham Covington School (BCS)!

*Campers (Grades K-8th grade) attending camps at **BIRMINGHAM COVINGTON SCHOOL (BCS)** FROM JUNE 25-AUGUST 10 have several options:*

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add before (7:30-9 a.m.) and/or after (3:30-6 p.m.) Kids Club (latchkey), for an additional charge.
- Add open swim or swim lessons to your week, for an additional charge. (See below.)

The location of Kids Club is in the Birmingham Covington School Cafeteria. Kids Club activities will include arts and crafts, games, free time and outdoor play. Register online to enroll your child in Kids Club. Enrollment is limited. Drop-in Kids Club (latchkey) is not available. There is a late fee of \$25 for pickup between 6:00 and 6:15 p.m.; and an additional charge of \$2.00 per minute after 6:15 p.m. Repeated late pick-ups may result in loss of this service.

AM KIDS CLUB: 7:30-9 a.m. \$30/week (Week of July 2-6 see REMIX on page 5)

PM KIDS CLUB: 3:30-6 p.m. \$40/week (Week of July 2-6 see REMIX on page 5)

SUPERVISED LUNCH OPTION

Campers (Grades K-8th grade) attending camps at Birmingham Covington School from June 25-August 10 attending a morning (9 a.m.-12 p.m.) and an afternoon (12:30-3:30 p.m.) camp in the same week, may stay for supervised lunch (12-12:30 p.m.). Register online for this free option by selecting the appropriate "Lunch Option" in addition to the summer camps you are registering your child(ren) for. Parents also need to indicate the lunch option on your child's morning camp sign-in sheet when arriving at camp. Campers will need to bring their lunch and drink in a non-breakable container. There is NO food service onsite.

SUMMER FUN SWIM LESSONS AND OPEN SWIM INFORMATION

Choose swim lessons or open swim time for your children when it's too hot, hot, hot and you just want your children to cool off or learn to swim in the Birmingham Covington School pool! Swim lessons will be taught by our certified lifeguard staff. Students will be grouped by skill level with no more than 1:8 instructor to child ratio.

OPEN SWIM OPTIONS FOR GRADES K-8 BY THE WEEK • JUNE 25-AUGUST 10

For AM Half Day Campers Grades K-8 at Birmingham Covington School (BCS)

Have your child stay for supervised lunch and a hour of swimming.

Pick-up at 1:30 p.m. in the pool area. Pre-registration is required.

12:30-1:30 p.m. \$30/week (Week of July 2-6 - No open swim.)

OPEN SWIM POOL CLOSURE POLICY: If there is a pool closure, you will receive a \$6 voucher on your Birmingham Community Education account for each day the pool is unavailable. No refunds.

For FULL Day Campers Grades K-8 at Birmingham Covington School (BCS)

Have your child stay for a hour of swimming after camp. Pick-up at 4:30 p.m.

3:30-4:30 p.m. \$30/week (Week of July 2-6 - No open swim.)

SWIM LESSONS FOR GRADES K-8 BY THE WEEK JUNE 27-AUGUST 12

Register EARLY! Swim lessons fill up quickly and are filled on a first come, first serve basis.

1:45-2:30 p.m. \$55/week (Week of July 2-6 - No swim lessons.)

2:45-3:30 p.m. \$55/week (Week of July 2-6 - No swim lessons.)

4:45-5:30 p.m. \$55/week (Week of July 2-6 - No swim lessons.)

SWIM LESSON REFUND POLICY ONLY: Refunds must be requested before the end of the first day of lessons. A \$10 drop/processing fee applies per child per week in addition to the \$10 fee for the day. If there is a pool closure, you will receive an \$11 voucher on your Birmingham Community Education account for each day. No refunds.

ACADEMICS
ELEMENTARY ACADEMIC REVIEW
COMPLETED GRADES K-5

This 3-week combined Reading & Math **REVIEW** program is designed for students who will have **COMPLETED GRADES K-5** and want **REVIEW AND REINFORCEMENT** of their math and reading skills. 1st Semester: June 25-July 12 (No class July 4)

1st Semester Early Bird Discount March 1-May 26

2nd Semester: July 16-August 1

2nd Semester Early Bird Discount March 1-June 20

For a full list of classes offered and to register, visit the homepage at www.communityed.net

ACADEMICS

THIS IS AN OPPORTUNITY YOUR
HIGH SCHOOL SENIOR WON'T WANT TO MISS!

CAMP COLLEGE 2018
(Incoming High School Seniors)

The Camp College Program serves to prepare incoming seniors in the college application process. This program offers assistance and guidance in researching a college list, completing the application, writing the essay, and completing and transmitting documentation such as testing, transcripts and letters of recommendation. Mrs. Stahl will direct the class along with invited guest speakers to share tips and strategies. Each day will cover the main aspects of the college application and search process (creating a list, navigating and selecting appropriate applications, writing the essay, and submitting documents to support the application) while also allowing time for individualized attention. Presented by Judith Stahl. Location: Derby Middle School, Media Center

BIRMINGHAM COMMUNITY EDUCATION

Summer Fun Camps • JULY 2-3 & 5-6

(NO CAMP ON WEDNESDAY, JULY 4)

REMIX CLASS DESCRIPTIONS

REMIX: MULTI-SPORT & GAMES

Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball, Capture the Flag, Dodge Ball and Frisbee Golf. In addition to learning the proper techniques and rules of these games, the children will be taught life lessons through these sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials.

REMIX: WATER GAMES (ON LAND AND IN THE POOL)

Campers need to bring or wear their swim suit and bring a towel. We will be playing a variety of water games on land where participants will learn teamwork, sportsmanship, and leadership all in a safe environment. If time, open swim will follow.

REMIX: COOL AND SIZZLING ART SCIENCE

This is a unique camp where children will explore art and science at the same time. There are many different ways to experience art and a lot of it involves science. This camp will inform children about hot and cold temperatures. They will explore and experiment creating art with heat and cold sources and learn about science using color.

REMIX: TEAM BUILDING

Being part of something larger than yourself and working toward a common goal is important. Team building camp will collaborate in a variety of games and activities that encourage cooperation and fun. Teams of campers may build bridges, boats, egg car seats, catapults, and towers using strange and unusual materials. A variety of team based activities will encourage self esteem, communication skills, critical thinking skills, and developing strong working relationships with others.

REMIX

Choose Monday-Tuesday, Thursday-Friday, or all four days! REMIX will offer 4 classes daily (water games/open swim, multi-sports and games, science, and team building). Come ready to have FUN! Wear gym shoes, pack your swimsuit and towel — be ready for anything! Campers will be grouped according to grades and rotate to a different age appropriate activity. Campers will need to bring two snacks, lunch and drink in a non-breakable container.

Structured program hours 9 a.m.-3:30 p.m.

Optional Kids Club is included in the prices below!

#11765 Grades K-8 M-T July 2-3

Create your day of fun... mix and match with camps at BCS!

*Campers (Grades K-8th grade) attending camps at **BIRMINGHAM COVINGTON SCHOOL (BCS)** FROM JUNE 25-AUGUST 10 have several options:*

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add Kids Club (latchkey), for an additional charge. (Page 2)
- Add open swim or swim lessons to your week, for an additional charge. (Page 2)

CAMPS BY THE WEEK INDEX

DOUG BALTZ IS BACK!!! PHYSICS IN ACTION AND OPERATION STEM

ENRICHMENT CAMPS

PHYSICS IN ACTION (Grades 4-7)

A summer camp favorite. Come join the action-packed science of physics. Discover how our world works with scientific and fun activities ranging from motion, robotics, Physics of sports, magnetic levitation, and the physics of music. Physics in Action will engage students in various hands-on experiments to learn more about fields like mechanics, electromagnetism, and optics. Themes will include: team building, problem solving, seeking questions about phenomena, scientific tools, mathematics, character building and science history. Fantastic physics demonstrations, outside activities and discussions will occur daily. Yes, Physics in Action is an excellent combination with the Operation STEM camp. Students should bring lunch and beverage in a non-breakable container. Presented by Inertia One. Instructor Doug Baltz, Seaholm Physics Instructor. Location: Groves High School, Rooms A5 and A7. No class Friday, June 22

#11797 M-Th June 18-21 9am-2pm \$200

OPERATION STEM 2018 (Grades 4-7)

Come and be an active participant in Operation STEM 2018 at Seaholm High School. Students will carry out investigations and engineering design projects related to core ideas in the disciplines of science, technology, engineering, and mathematics. Interpreting data, computational thinking, constructing explanations, and designing solutions while working with lasers, photovoltaic cells, alternative energy, and much more. Operation STEM 2018 will also incorporate activities/ideas to explore from various engineering organizations and professionals from our community. Yes, Operation STEM is an excellent combination with the Physics in Action camp. Outside activities and discussions will occur daily. Students should bring lunch and beverage in a non-breakable container. Presented by Inertia One. Instructor Doug Baltz, Seaholm Physics Instructor. Location: Groves High School, Rooms A5 and A7. No Class Friday, June 29

#11796 M-Th June 25-28 9am-2pm \$200

HIGH TOUCH HIGH TECH / SCIENCE MADE FUN!

Science summer camp programs are geared for the kindergartener through fifth grade camper and provide fun and safe science activities for children that will keep their minds active during the summer months. Your inquisitive campers will enjoy, "Doing science, not viewing science", as they participate in hands-on science experiences that are age and academically appropriate. High Touch High Tech scientists are trained to foster a creative and non-competitive environment in which all campers are encouraged to share their knowledge and ideas while interacting with their peers in our summer camp programs. All materials are included and many programs provide take home experiments. Each of your campers will be recognized for their contributions and accomplishments by receiving a science certificate of participation. Our enriching science summer camp activities provide inspiring experiences and opportunities for the curious camper to investigate a wide variety of science topics in ways that will be both meaningful and memorable.

hightouch hightech
Science Made Fun!

NEW HIGH TOUCH HIGH TECH – FROM GRAVITY TO EXPLORING ANIMALS! (Grades K-5)

Extreme Scene©! Journey through the earth's extreme environments. Have fun as we learn about deserts and see hoe animals and plans adapt to these harsh climates. Explore the amazing survival of the cactus. Learn about volcanoes, arctic biomes and make a penguin. Roll up your sleeves as we discover some slimy things. Gravity Games© Get ready for the games. Unlock the mysteries of this amazing force that affects us all. Learn about G-Forces, Centrifugal Force, and why the center of gravity is so important in building structures. Icky Sticky Day© It's time – Icky Sticky Time. Have fun as we make glow in the dark silly putty, slime, and make colors explode. Super Sun Day© Catch some rays and learn all about the sun. Make a solar oven and discover the hidden energy in sunlight. Have fun as we become ultra-violet light detectives. Plantimal Day© Discover the amazing world of plants. Make a greenhouse, chia pet and more. Have fun as we learn about animals, insects and more. Bring two snacks, lunch and beverage Presented by High Touch High Tech. Location Birmingham Covington School

#11931 M-F July 16-20 9am-3:30pm \$270

NEW HIGH TOUCH HIGH TECH – JELLYFISH, PLANTS AND FISSION! (Grades K-5)

No Brains No Bones© Explore the world of jellyfish – the incredible, primitive creatures of the sea. Dive into jellyfish anatomy, create a boneless jelly, build a neuron, and take an (edible) look at human blood! Smarty Plants© Discover the amazing world of plants. Learn about photosynthesis and germination. Have a hands-on look at roots, shoots, and transportation inside a plant. Get all the "seedy" facts. Gold Rush© We'll go on a gem hunt, where if you find it – it's yours. We'll compare crystals, make and break your own Geode, create gem jewelry and more! Charge It Day© Get energized as we make a spark, separate salt and pepper with static energy, enjoy static electricity races and more. conFusion© Discover the difference between fission and fusion. Explore the many ways these powerful energies are sustainable. Have fun as we discover a chain reaction, create your own molecular fusion and fission reactions. Get energized as we work with lasers and photons. Bring two snacks, lunch and beverage. Presented by High Touch High Tech. Location Birmingham Covington School

#11934 M-F August 6-10 9am-3:30pm \$270

GAME CRAZY

ROBOTICS CAMP (Ages 5-8 / 9-13)

AGES 5-8: Does your child love to play soccer? Now, using Game Crazy's LEGO robots, your kids can build out all the components of a soccer game and play LEGO soccer matches against other kids! On the first day, kids will learn how to build and program a kicker and goalie robot using axles, levers, wheels and more. In subsequent days, they will build cheering fans who will jump up and down and make cheering sounds when the ball passes by them by making use of motion sensors and more. Using simple drag and drop programming, kids will learn to bring these robots to life and put them together to play soccer matches while learning to keep score, work in teams and much more. Highly fun and educational LEGO camp for your little soccer player.

AGES 9-13: Using LEGO NXT Robots, we transport kids to a far off planet where they build autonomous robots to make the planet habitable by humans. Young campers learn to build and program these robots to navigate challenging terrain and carry out various complex missions like excavating lake water, transporting rocks and more. In the process, campers will learn Science, Technology, Engineering and Math concepts in a "minds-on hands-on" environment. Campers will use a variety of sensors like sound sensors, ultrasonic sensors, color sensors and touch sensors to make their robots self-aware. Using an easy to learn drag and drop programming, campers will learn to make their robots autonomous. Will your child be able to solve the missions that await? This is one camp that your child will not want to miss out on! Campers should bring a snack and water bottle. Presented by Game Crazy. Location: Birmingham Covington School, cafeteria
#11954 M-F June 18-22 9am-12pm \$150

MINECRAFT REDSTONE CAMP (Ages 8+)

Students will use the popular video game Minecraft to learn about electronic circuits, electricity and wiring in a fun, game filled environment. Redstone is a fictional element in Minecraft that can power all the things that your child creates - from doors, lamps, rail tracks to houses and much more. Students will learn the basics of powering their world using Redstone and learn to build amazing creations like password protected doors, a collapsing bridge, secret mazes and many other challenges that will get them thinking, learning and building! Along the way, your child will learn about electronic circuits, AND and OR gates, inverters, repeaters and much more! Bring a snack and beverage. Presented by Game Crazy. Location Birmingham Covington School, cafeteria
#11955 M-F June 18-22 12:30pm-3:30pm \$150

POKEMON AND STAR WARS STOP MOTION ANIMATION CAMP (Ages 6+)

From a galaxy far, far away, Star Wars comes to life! Work on a stop-motion animated LEGO® Star Wars movie. Use our Star Wars action figures to star in your own mini- movie ... the possibilities are endless! Star Wars action figures, LEGO bricks and backdrops will be available for filming in class. Handle all of the technical details including using a digital movie camera, filming scenes, stop-motion animation, digital editing and adding finishing special effects and transitions to the movie. In this exciting hands-on learning class, learn the entire digital film making steps from start to finish NOTE: Please have your child bring a 8GB USB flash drive to class every day so that they can take their animations home. Bring a snack and beverage. Presented by Game Crazy. Location Birmingham Covington School
#11957 M-F July 16-20 9am-12pm \$150

POKEMON GO MINECRAFT CAMP (Ages 7+)

If you enjoy Minecraft and Pokemon, then you're definitely going to love this class! We add nearly 300 of the cute critters to Minecraft! Everything from wild Pokemon in the grass to eager wandering trainers is waiting for you in this new world that brings together Minecraft and Pokemon. This will add a whole new element to adventure mode! This is a very popular class with limited seats, so join today! Bring a snack and beverage. Presented by Game Crazy. Location Birmingham Covington School
#11960 M-F July 16-20 12:30-3:30pm \$150

MINECRAFT REDSTONE CAMP (Ages 8+)

Pokemon Go has become the #1 game of all time. Now your child can build their own Pokemon Go game in Scratch! They will immerse themselves in all aspects of video game design - from game ideation to storyboarding to the iterative development process of prototyping and testing. They also get to take home their video games! NOTE: Please bring a 8GB USB flash drive to class every day so that your child can take their animations home. Bring a snack and beverage. Presented by Game Crazy. Location Birmingham Covington School
#11962 M-F July 30-Aug 3 9am-12pm \$150

POKEMON GO THEMED VIDEO GAME DESIGN CAMP (Ages 8+)

Pokemon Go has become the #1 game of all time. Now your child can build their own Pokemon Go game in Scratch! They will immerse themselves in all aspects of video game design - from game ideation to storyboarding to the iterative development process of prototyping and testing. They also get to take home their video games! NOTE: Please bring a 8GB USB flash drive to class every day so that your child can take their animations home. Bring a snack and beverage. Presented by Game Crazy. Location Birmingham Covington School
#11964 M-F July 30-Aug 3 12:30-3:30pm \$150

GENIUS EDUCATION

Mr. Groseclose (aka "Mr. Genius") is an experienced and fun-loving instructor with a special gift for working with children and youth. He has a way of connecting with young people and engaging them to have fun while reaching their full potential. He has taught Birmingham Public Schools' Summer camps and other afterschool classes for many years.

ENRICHMENT CAMPS

GENIUS LEGO ENGINEERING (Grades 1-6)

This is an exciting way for students to navigate the world of engineering while combining fun and active learning. Students will enjoy hands-on learning as the engaging LEGO building projects take them on an exploration of STEAM (Science Technology Engineering Art Math) concepts in the area of LEGO engineering. Students will learn through guided exploration into new concepts, and they will be challenged to develop their imagination and creative ideas into working designs. Students learn a variety of LEGO engineering skills as they work with wheels and axles, gears, levers and pulleys and much more while learning to be a part of a team as they work in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location. Birmingham Covington School.

#11917 M-F June 25-29 9 am-12pm \$175

GENIUS PULLBACK CAR ENGINEERING (Grades 1-6)

Build and keep your own motorized pullback cars! Pullback Car Engineering is a popular STEAM enrichment class that develops problem solving and creativity as students build their very own motorized pullback cars specifically selected to fit each student's grade and building skill level. Students will build their own fleet of cars using a design pamphlet for each vehicle and become junior engineers challenged to design new creations using their BanBao car kits. Over the course of the class, students participate in activities and experiments, challenges and races designed to demonstrate science and engineering concepts and laws such as gravity, potential and kinetic energy. BanBao kits are made of quality bricks that are comparable to and fully compatible with other major brands like LEGO®. Students take home everything they build! New builds every time! Bring a snack and beverage. Location. Birmingham Covington School

#11923 M-F June 25-29 12:30-3:30pm \$175

GENIUS COMPUTER GAME MAKING (Grades 3-8)

Make your own computer games! Students learn valuable computing, keyboarding and basic programming skills as they make and modify their own exciting computer games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. Classes are tailored toward beginner, intermediate and advanced skill levels. Email access and flash drive are strongly recommended. Windows computer required. **All games, program and downloads are the students to keep! Students will learn new skills and make different games every time! Bring a snack and beverage. Location. Birmingham Covington School

#11915 M-F July 23-27 9am-12pm \$175

GENIUS COMPUTER GAME DESIGN (Grades 3-8)

Create and design your own computer games! Students learn and develop valuable computing, keyboarding and game design skills as they make and modify their own exciting computer games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. Classes are tailored toward beginner, intermediate and advanced skill levels. Email access and flash drive are strongly recommended. Windows computer required. All games, program and downloads are the students to keep! Students will learn new skills and design different games every time! Bring a snack and beverage. Location. Birmingham Covington School

#11911 M-F July 23-27 12:30-3:30pm \$175

GENIUS LEGO MECHATRONICS (Grades 1-6)

Calling all LEGO enthusiasts! Calling all technology, computer science, electronics aficionados and future engineers. LEGO Mechatronics is for YOU! Students will learn about the exciting interdisciplinary field of mechatronics while exploring the fun and engaging hands on building, developing and learning projects and activities. Students will build and experiment with a variety of motorized creations using our special LEGO Education kits. Students will gain a good understanding of basic mechatronics concepts including engineering principles, mathematics, electronics, mechanics and computerization. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location. Birmingham Covington School

#11919 M-F July 30-Aug 3 9 am-12pm \$175

GENIUS LEGO ROBOTICS (Grades 3-8)

It's time to go all out into the world of LEGO Robotics through this LEGO Education STEAM enrichment camp! Students will learn about robotics, explore new concepts and gain new robotic engineering skills as they join in this fun and engaging Genius LEGO Education camp. Students experience the thrills of LEGO learning through hands-on activities and projects. Students will build and modify robotic machines, vehicles and gadgets, developing their robotics skills using our special LEGO kits. Genius classes can be taken in any order as the new concepts and builds stand-alone while building on the versatile and engaging foundation of LEGO Education STEAM enrichment. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location. Birmingham Covington School

#11922 M-F July 30-Aug 3 12:30-3:30pm \$175

GENIUS BLAST OFF ROCKETRY
(Grades 3-8)

Shoot for the sky! Students learn about rockets and rocketry as they assemble, design and prepare their own rocket for launch day. An experienced Genius Education rocketry instructor supervises the launch site. Students prepare their own rockets and use a remote launch trigger after the instructor prepares each rocket on the launch site. Each student can retrieve their rocket to keep and take home to show friends and family! Bring a snack and beverage. Location Birmingham Covington School

#11910 M-F August 6-10 9am-12pm \$175

GENIUS COMPUTER GAME
PROGRAMMING (Grades 3-8)

Make and program your own computer games! Students learn valuable computing, keyboarding and basic programming skills as they make and modify their own exciting computer games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. Classes are tailored toward beginner, intermediate and advanced skill levels. Email access and flash drive are strongly recommended. Windows computer required. All games, program and downloads are the students to keep! Students learn new skills and program different games every time! Bring a snack and beverage. Location Birmingham Covington School

#11914 M-F August 6-10 12:30-3:30pm \$175

Register EARLY -
Camps fill up FAST!

NEW SONGWRITING 101
(Grades 6-8)

A fun, interactive course for students, with little or no musical training required. Students learn the basic building blocks of songs, learn how to be descriptive and emotive, learn creative thinking and how to collaborate with others creatively, "ghost write" a familiar song, and by the end of the course, students complete their very own first song! Group instruction and individual mentoring with our very talented and award winning Michigan based songwriting instructors. Presented by Big Water Creative Arts. Location: Birmingham Covington School. No Class on Friday, June 29

#11847 M-Th June 25-28 10am-12pm \$200

#11849 M-Th June 25-28 1pm-3pm \$200

LITTLE VETERINARIAN CAMP
(Completed K-5)

Does your child love animals? Little Vet School provides hands-on activities that will actively engage children as they learn how to take care of a pet and explore the exciting world of veterinarians. Throughout the week, students will use their stuffed dog and record in their journal how to take an assessment of their pet, care for wounds and stitches, and give their pet medication. They will learn what foods their pet needs in order to stay healthy, as well as those foods to avoid. Children will also learn about cat anatomy and cat body language as well as how to reduce their cat's stress and how to make a cat toy. Students will graduate at the end of the week and receive a diploma. Children must have completed kindergarten. Children may bring a peanut free snack and drink. Presented by Little Veterinarian School. Location Birmingham Covington School

#11949 M-F July 16-20 9am-12pm \$225

LITTLE MEDICAL SCHOOL CAMP
(Completed K-5)

Little Medical School provides hands-on activities that will actively engage children as they explore the exciting world of medicine. Throughout the week, students will learn about and use real tools that doctors use, and receive their own working stethoscope. They will learn the anatomy of a variety of body systems and create many models, including a model of the brain, spine, eye, bone and lung. Students will learn how to suture, role play a pretend surgery, and much more! Children will graduate at the end of the week and receive a diploma. Children must have completed kindergarten. Children may bring a peanut free snack and drink. Presented by Little Medical School. Location Birmingham Covington School

#11951 M-F July 30-Aug 3 9am-12pm \$225

NEW DRAMA KIDS presents
FANTASY PLAYHOUSE CAMP
(Grades 1-5)

Join us as our campers show off their creativity to deliver an originally scripted, self-directed performance in the medieval days of maidens, knights, dragons and wizards. And just who is Sir Dance-a-lot anyway. Campers will explore all aspects of theatre from acting and directing, to set design and more. Our campers will bring the house down during their End of Camp Drama Kids Playhouse Presentation, performing an original play their team creates. Want to know how the show ends. Alas, Alas, so do WE. Please bring a water bottle. Half day campers bring one snack. Full day campers bring two snacks and a lunch. Presented by Drama Kids, Location: Groves High School, Little Theatre and D2

#11801 M-F Aug 13-17 9am-12pm \$190

#11802 M-F Aug 13-17 9am-4pm \$320

ENRICHMENT CAMPS

GREAT CAMPS by AUDREY LAJEUNESSE

Audrey Lajeunesse has been teaching to filled Choice Hour classes at Birmingham Covington School for 16 years. She started with teaching Gardening, and has added Arts and Crafts, Ornithology, Multi Cultural Art, Astronomy, Crochet, Cooking, and more over the years. She enjoys organic gardening, painting, woodworking, cooking, taking care of her animals, and crafting in her spare time.

ENRICHMENT CAMPS

NEW JUNIOR HERBALIST (Grades K-8)

Do you have a green thumb? Are you interested in growing and working with plants? This is the camp for you! We will explore some of the most popular herbs used in cooking, medicine, and art. Campers will learn how to make lotion, tinctures, and teas from fresh herbs, as well as how to dry herbs for future use. Bring a snack and beverage. Instructor Audrey Lajeunesse. Birmingham Covington School

Grades 3-8
#11792 M-F June 25-29 12:30-3:30pm \$145

MULTI-CULTURAL ART (Grades K-3)

Explore and discover the World's cultural traditions through art. Campers will get the chance to discover their unique family heritage and see examples of Art from countries around the world. Using mixed media campers will create one of a kind art pieces. Bring a snack, water bottle and some paint clothes. Instructor Audrey Lajeunesse. Location. Birmingham Covington School

#11789 M-F July 16-20 12:30-3:30pm \$145

ORNITHOLOGY & MICHIGAN WILDLIFE (Grades K-8)

The study of birds and wildlife, will take us on an adventure in nature. Learn how to identify birds and animals native to Michigan. Campers will have the chance to make a bird feeder to take home to start their very own backyard bird sanctuary. Bring a snack and beverage. Instructor Audrey Lajeunesse. Location Birmingham Covington School

#11790 M-F July 23-27 12:30-3:30pm \$145

KIDS CAN VOLUNTEER (Grades K-8)

"The best way to find yourself is to lose yourself in the service of others." - Mahatma Ghandi 1869

Small acts of kindness can go a long way. Participate by helping in a variety of ways by assisting local charities, animal shelters and doing humanitarian projects are the focus of this camp. Let your kindness know no bounds. Bring a snack and beverage. Instructor Audrey Lajeunesse. Location Birmingham Covington School

#11778 M-F July 30-Aug 3 12:30-3:30pm \$145

GARDEN ART (Grades K-3)

Campers will create interesting art projects that can be put outside in the garden. We will be using a variety of materials to create unique pieces of art to take home. Bring a snack and water bottle. Instructor Audrey Lajeunesse. Location Birmingham Covington School

#11791 M-F Aug 6-10 12:30-3:30pm \$145

BABYSITTER SAFETY/BASIC FIRST AID/CPR (Ages 10+)

In this ONE day workshop, participants will learn skills involved in caring for infants, toddlers and young children, as well as how to start their own babysitting business. Emergency procedures, taming the tots, decision making, diapering, feeding and sleep time are just a few of the topics to be covered. Basic first aid and CPR will be taught and practiced on mannequins. This is a Certification Babysitting Class from the American Red Cross and complete attendance and passing of a 10 question test is mandatory. Participants will receive a wallet certification card along with a training booklet, emergency reference guide and CD to ensure success of their babysitting business. Students more than 20 minutes late will not be permitted into the class, please be on time. Bring a snack, lunch and beverage in a non breakable container. Instructor: Marie Bristow, American Red Cross Certified Instructor. Location: Birmingham Covington School

#11793 Mon June 25 9am-3:30pm \$100
#11794 Wed Aug 8 9am-3:30pm \$100

GIRLS EMPOWERED...
BOYS EMPOWERED...
KIDS EMPOWERED! KIDS EMPOWERED

KIDS EMPOWERED CAMPS

Girls and Boys Empowered/Kids Empowered has provided empowerment programs for thousands of children for over 19 years. Each camp is designed to focus on different self-esteem and confidence building activities, social skills, and practical strategies to deal with the issues kids face with their friends and classmates at recess, in the lunch room, in the hallways, and in LIFE! We teach the Kids Empowered curriculum through interactive games, role playing, crafts, poster activities, team building, and physical fitness. Emotional Intelligence matters, learning these skills and strategies can benefit every kid no matter what their level of confidence. Each week has a different focus and themed activities. Further information at kidsempowered.com or 248-757-0912

GIRLS EMPOWERED: YOGA GIRLS
(Ages 4 yrs-8th Grades)

Focus: Develop strategies for managing emotions, stress, worries and daily challenges. Girls will have fun and receive the benefits from yoga of strengthening their bodies & relaxing their minds while learning how to be grounded to deal with hot/cold friendships and trying to fit in. We will look at mindfulness, music, creativity, journaling, the importance of building a supportive network, and everyday ways to cope with stress. We'll explore how yoga, mindfulness, meditation and self-care can promote better self-esteem, a greater sense of confidence and emotional balance. This week of camp will include daily yoga & address significant areas of stress for girls. Girls will walk away with the visuals to build a yoga toolbox full of empowering tools. Wear comfortable clothing & bring a Yoga mat/towel. Full day campers bring a snack, bag lunch and beverage in non-breakable container. Half day campers should bring a snack and water bottle in a reusable container. Presented by Girls Empowered. Location Birmingham Covington School

GIRLS EMPOWERED: AMERICAN GIRL CAMP (Ages 4 yrs-5th Grade)

Girls will have fun doing themed crafts, games, fitness activities and role plays using the stories of American Girl Dolls. We will watch a little of the movie each day. We will look at how Gabriela used poetry to help her with her challenge of having a stutter. We will look at Nanea's stories that teach girls that kokua—doing good deeds and giving selflessly—sometimes require sacrifice. Like the American girl characters' girls will learn about following their passion and dreams and expressing themselves through art, poetry and songs. Girls will have fun doing American Girl theme crafts, role playing, yoga & dance. Girls 2nd-5th grade will also learn how to handle mean girl situations using "Chrissa Stands Strong". Girls can bring their American Girl Doll or another doll. Full day includes swimming. Full day campers should bring a snack, lunch, beverage, swim suit and towel. Campers should bring a snack and water bottle in a reusable container. Presented by Girls Empowered. Location: Birmingham Covington School

STOP, THINK AND GO!
(Ages 4 yrs-1st grade;
Girls and Boys)

Kids will learn an easy tool to help them make good decisions. They will learn the do's and don'ts of being a friendly classmate, how to recognize when they are in a sticky situation and making positive choices at home. Kids will learn words to say to handle sticky situations or manage their feelings. Kids will learn mindfulness activities to learn to calm themselves when they feel frustration or anxious. They will play games, do crafts, and do fitness activities. Campers should bring a snack and water bottle in a reusable container. Presented by Kids Empowered. Location Birmingham Covington School

#11867 M-F July 9-13 9am-12pm \$150

THE EMPOWERED KIDS TOOL BOX FOR THE PLAYGROUND
(Ages 4 yrs-5th Grade)

Focus: Develop playground social skills to manage conflict, exclusion and unfriendly situations. Kids play recess games while learning how to handle and role play typical playground sticky situations. If kids learned how to manage the playground, how to handle common playground problems and unfriendly situations, they will be able manage most social situations in life! This camp will help kids build their toolbox of confidence, assertiveness, and strategies of typical situations that happen at recess. Kids will learn how to problem solve to be inclusive, deal with rule changers and cheating, and how to be a friendly classmate whether you win or lose. Kids will learn exact words to say, tone of voice and how their body language should look. Kids will learn how to respond when other kids say they can't play or they are having private conversations. Kids will learn frustration management techniques and coping skills to help them be calm in sticky situations, so they can "act", not "react". Camp includes a playground tool box and lots of fun games. Campers should bring a snack and water bottle in a reusable container. Presented by Kids Empowered. Location Birmingham Covington School

KIDS EMPOWERED

LEGO MANIA BOY POWER STYLE AND LEGO MANIA GIRL POWER STYLE (Ages 4 yrs – 5th Grade)

Girls and Boys will have fun learning how to use their power to build others up and themselves using Lego activities. Kids will learn the social skills of cooperative play, problem solving, handling conflict, and being a positive person. As they are building and tearing down their Lego creations they will learn words to say that can help build others up including themselves or tear others down. They will learn how their words can be used to solve problems or make them bigger. Camp includes Lego activities, games and outdoor play. Full day includes swimming, games, and outdoor play. Full day campers should bring a snack, lunch, beverage, swim suit and towel. Half day campers should bring a snack and water bottle in a reusable container. Presented by Kids Empowered. ASSERTIVENESS BOOT CAMP BE ASSERTIVE... WHAT TO SAY & HOW TO SAY IT! (Grades 2-5)

Being assertive is a life skill every girl needs to have in dealing with unfriendly friends, bullies, in negotiating, handling conflict, setting boundaries, to be taken seriously, and getting their needs met. Girls will learn and practice being assertive in their words, voice, and body language through role-playing and crafts. This camp will help all girls no matter what their confidence level is including girls who may be too aggressive in how they communicate to those who don't use their voice at all. Role playing, games, crafts and fitness included. Daily pool time for full day. Full day campers bring a snack, bag lunch, beverage in non-breakable container, swim suit and towel. BOYS EMPOWERED: SUPER HERO CAMP (Grades 2-5)

Most boys want to be heroes! The need to be a warrior is real for many boys. This camp will have fun using the Avenger Super Heroes and real heroes of our world. They will tie dye their own super hero cape while learning how they can be a hero in everyday life. Using martial arts, cartooning and craft activities like creating your own shield of armor and force field, they will learn the character traits and skills of inner strength, resiliency, assertiveness, and how to use their power to make a difference in this world. Daily outdoor play and games included. Campers should bring a snack and beverage in non-breakable container. Presented by Boys Empowered. Location: Birmingham Covington School

GET READY FOR KINDERGARTEN FOR GIRLS AND BOYS (Ages 5-6)

Going to kindergarten is a big transitional period for kids. This camp will help kids prepare for their new adventure with activities to teach them the social skills of how to make new friends, manage emotions, make good decisions and enter this exciting time with confidence. We will role play and learn to problem solve common situations that can cause problems like cutting in line, sharing, including others, and what to say if someone says "I don't want to be your friend", or "You can't play." Each day includes physical activity, role playing, games and a craft activity. Campers should bring a snack and beverage in non-breakable container. Presented by Kids Empowered. Location: Beverly Elementary School, Preschool Room. NOTE: Students also registered in A Brilliant Scientist's World of Going Back to School With Confidence for Girls and Boys in the afternoon (#11854), may stay for a supervised lunch. Students must bring their own lunch.

CAMP FUN with MR. PAHOLAK

NEW MATH OLYMPICS JR. (Grades K-2)

Very similar to Math Olympics but the games in this camp will be more age appropriate for our younger students. Getting experience with counting, addition, subtraction, and many other important math skills, this class will push your students to be stronger mathematicians but it is achieved in a fun way. The variety of games provides an opportunity for students to compete and build their character at the same time! Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11907 M-F June 25-29 9am-12am \$145

NEW FAIRY TALES (Grades K-3)

In this class we will explore a wide variety of fairytales. Whether it be reading or listening to fairytale stories, writing our own fairytale stories, acting out our own fairytale stories or creating real life fairytale elements in the form of crafts, this class has got everything! What makes a story a fairytale? In this camp you will learn everything you need to know about fairytales so that you are able to recognize one as well as create your own! Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11903 M-F June 25-29 12:30-3:30pm \$145

NEW CODING (Grades 3-6)

In this class students get the opportunity to program their own animations, games, and interactive stories with Scratch. This free software allows kids to quickly create and share projects by dragging, dropping, and combining pieces of code. If you have a child interested in learning to program Scratch is a great first platform. Campers will create and publish several projects during this hands-on coding camp. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11902 M-F July 9-13 9am-12pm \$145

NEW NATURE LOVERS (Grades 3-6)

Love exploring the outdoors? Have a special place in your heart for nature? If so, this is the perfect class for you! In this class we will be studying a variety of animals and the ecosystems that they belong to. After learning certain aspects about various animals and ecosystems, students will get the opportunity to create a diorama and presentation that will help illustrate an ecosystem of their choosing. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11908 M-F July 9-13 12:30-3:30pm \$145

NEW MATH OLYMPICS (Grades 3-5)

In this class students will play a variety of Math Pentathlon games. Playing games but gaining valuable math practice is everything that your student could ever ask for! This class will be structured around learning how to play the games, practicing the games and then competing against other campers. They will be working on strategically planning out their moves, gaining experience with using the 4 operations, and even fractions! Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11906 M-F July 16-20 9am-12pm \$145

NEW AROUND THE WORLD IN 5 DAYS (Grades 3-6)

The world is a fascinating place but it is so big! In this class you will be able to travel the world examining its various similarities and differences. Not only will we examine various cultures that help define our planet but we will also explore the wide variety of landscapes that cover our Earth. This class will involve a lot research and presentations developed and created by none other than your students. Students will be in charge of using a variety of tools to present their research in a fun and interesting way. Whether they choose to perform speeches or use a variety of electronic resources to present their information, students will gain confidence in their knowledge about the world as well as the ability to present a topic. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11864 M-F July 16-20 12:30-3:30pm \$145

NEW STEM ENGINEERING CHALLENGES (Grades 3-6)

Does your child enjoy challenging themselves? Well this is the class for them! In this class your child will be provided with various challenges where students will be asked to design and engineer solutions to problems. Whether it be designing boats that can hold the most weight or creating dams that can hold off the most water, your child will get the opportunity to show off their ability to develop creative solutions to problems. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11909 M-F July 23-27 12:30-3pm \$145

NEW GOOGLE EXPLORERS (Grades 2-5)

Google has changed the way we do a lot of things. Whether it be how we communicate, obtain information, or create pieces of work. In this class your student will learn various apps that are relevant to use. Whether it be using Google Slides to create presentations or Google Forms to develop their own quizzes this class provides great opportunity by strengthening each student's knowledge of how to navigate and use fun but helpful tools. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11904 M-F July 30-Aug 3 12:30-3:30pm \$145

NEW ITS ALL ABOUT TEAMWORK (Grades 3-6)

In this class we will focus on the values of teamwork and collaboration. We will focus on a multitude of games, activities, and challenges that require the ability to work together to be successful. Students will join together to not only learn how to play games but how teamwork can make them successful and specific examples of what teamwork would look like in those games. The teamwork activities and challenges will provide an opportunity for students to reflect on their ability to work with others as well as an opportunity to work on strengthening that skill while having fun. Instructor Birmingham Teacher Nicholas Paholak. Location: Birmingham Covington School

#11905 M-F August 6-10 12:30-3:30pm \$145

RATA2EE

RATA2EE COOKING CAMP (Ages 7-10)

Children learn healthy cooking skills, through fun and play! Each day of this 1-week camp, kids will make and eat a morning snack, get in some fun exercise activities, cook and eat a 3-course meal, learn basic gardening, play nutrition games, and end their day with yoga. Rata2ee teaches cutting techniques (with kid-safe knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn where food comes from and what makes a healthy plate. This well-rounded camp takes a holistic approach to healthy living. Each day starts and ends with a theme word that promotes character-building. Camps are taught by ServSafe Certified Chefs and elementary teachers who already work within local schools. As part of the registration process, parents must sign a liability waiver for any child to attend. A week before the camp starts, an email with important information (like what to wear, what is ok and not ok to bring to the classroom, drop off and pick up information) will be sent. All recipes are nut free; however, all allergies must be listed on the registration/waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. Sessions are limited, so sign up NOW to get the week you want with your friends! Please visit www.rata2ee.com for a list of the foods that will be made. IMPORTANT! Prior to the start of camp all participants need to fill out forms at <http://fs20.formsite.com/Rata2eeregistration/form11/index.html> Location: Groves High School, Room C3

NEW RATA2EE ADVANCED COOKING CAMP (Ages 11-14) NEW

This new class is for kids who have taken a previous knife class with Rata2ee and has their Advanced Certificate or those who fall within the age range for this class. Children learn healthy cooking skills, while focusing on technique. This is an advanced class, where each child will be responsible for a full meal to take home with them. This is a half-day 1-week camp, where 100% of the time will be spent on cooking and cleaning up. Rata2ee teaches cutting techniques (kids will use paring and santoku knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn where food comes from and what makes a healthy plate. Camps are taught by ServSafe Certified Chefs and elementary teachers who already work within local schools. As part of the registration process, parents must sign a liability waiver for any child to attend. A week before the camp starts, an email with important information (like what to wear, what is ok and not ok to bring to the classroom, drop off and pick up information) will be sent. All recipes are nut free; however, all allergies must be listed on the registration/waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. If your child has not taken a Rata2ee class in the past, parents will need to have a conversation with our chef to gain special permission to register their child for this camp. Sessions are limited, so sign up NOW to get the week you want with your friends! Please visit www.rata2ee.com for a list of the foods that will be made. Prior to the start of camp all participants need to fill out forms at <http://fs20.formsite.com/Rata2eeregistration/form11/index.html>

ELENA VICTORIA FASHION DESIGN & SEWING CAMP (Ages 7-12)

Students will learn how to operate a sewing machine, sew garments from scratch, and see their designs come to life! A different garment will be made each day. No sewing experience required. This is a great class for all experience levels as the projects can be adjusted based on skill level. Students are encouraged to bring their own sewing machine. However, if they do not own one, a machine will be provided for them. The week ends with a fashion show on Friday where the students get to display all of their hard work! All materials are included. Materials consist of fabrics, trims, use of sewing machines, and more. Presented by Elena Victoria Swingler. View photos from previous camps at www.elenavictoriadesigns.com. FUN CAMPS
with
MR. MALDONADO

ENRICHMENT CAMPS

CRIME SCENE INVESTIGATIONS
(Grades 3-6)

Does your child love looking for clues, finger printing, solving mysteries, and being a detective? Then this is the class for him/her! Campers will learn techniques to analyze crime scenes, such as fingerprinting, splatter patterns, chromatography, and dental imprints. These fun activities will introduce kids to the study of forensic science. This class appeals to a range of children because it's dramatic, scientific, hands-on, group centered, and fun! Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11807 M-F June 25-29 9am-12pm \$145

NEW CREATIVE CAMP
(Grades 3-6)

The sky is the limit with how creative your child can get in this class! Kids will use parts from various machines, Legos, Erector sets, Lincoln Logs, Magnetiles, Dominoes, Marble Mazes, and paper towel tubes to make their own inventions. The campers will have to use invention to solve a common problem. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11806 M-F June 25-29 12:30-3:30pm \$145

CHEMISTRY, ELECTRICITY AND
MAGNETS (Grades K-3)

Younger kids will have fun with these hands-on experiments that offer an introduction to the scientific method, group problem-solving and inquiry. Campers will keep science journals to record facts, figures, and concepts about heat, gravity, states of matter, electricity, magnetism, and planets. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11815 M-F July 9-13 9am-12pm \$145

LEGO ROBOTICS (Grades 3-6)

Have you ever designed and build a robot that responds to your every command? Kids will use their imaginations and Lego Mindstorm kits for this task. This interactive camp is a great introduction into robotics and programming. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11809 M-F July 9-13 12:30-3:30pm \$145

#11808 M-F July 16-20 9am-12pm \$145

NEW SPY ACADEMY (Grades 3-6)

Become a spy for the week and learn about espionage. Campers will love creating secret identities, becoming a secret agent, creating spy gadgets, and playing games that emphasize strategies a spy would use. Code-breaking and cryptograms are always a favorite. Digital tools and videos are used to engage campers and explain skills and techniques. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11814 M-F July 16-20 12:30-3:30pm \$145

NEW LEAGUE OF
EXTRAORDINARY GENTLEMEN
(Grades K-6)

The purpose of League of Extraordinary Gentlemen is to inspire our boys to become young men of character, in school, at home, and in our community. We hope to inspire the boys with fun and engaging activities that will motivate them to internalize positive behaviors and attitudes. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11818 M-F July 23-27 12:30-3:30pm \$145

NEW MESSY OOEEY GOOEY
SCIENCE (Grades K-3)

Does your kid love to make a mess? Do you love when your child learns and has fun doing it? Campers learn key science concepts by making goo, slime, silly putty, and more. Please dress your child in clothes that can get really messy! Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11817 M-F July 30-Aug 3 12:30-3:30pm \$145

MAKE A COMMERCIAL
(Grades 3-6)

Children will first learn about commercials and the techniques used to plan and create one. They will then create a commercial for a product of their choosing. Digital tools and computers will be used to help create, edit, and bring their commercial to life. The final product will be to post their commercial to YouTube. Instructor Birmingham Teacher Rick Maldonado. Location: Birmingham Covington School

#11816 M-F August 6-10 12:30-3:30pm \$145

TOTALLY FUN with KATHY SEGAL

ENRICHMENT CAMPS

AHOY MATEY (Grades K-3)

Arrrgggghh! This class will bring Pirates to life. The children will look like and become a Pirate themselves as they create accessories to wear. They will also make treasure boxes, a parrot, flags, a ship, a catapult to launch at other ships, and a map to find the buried treasure. At the end of the week the campers go on a scavenger hunt to look for gold to put in their treasure boxes. Campers will come to shore as they get their hands in sand and explore the textures and properties of sand. Activities such as sand painting, sand sculpting and sand casting will be taught. Making sand castles with water moles will be an experience not to be forgotten.

Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11841	M-F	July 23-27	12:30-3:30pm	\$145
#11842	M-F	Aug 6-10	12:30-3:30pm	\$145

BEADY BUDDIES AND FRIENDSHIP BRACELETS (Grades 1-6)

This class will teach the techniques of bead weaving and tying knots to create a patterned bracelet or a beaded animal. Children like making Beady Buddies and friendship bracelets to collect or give to a friend. The techniques for both of these projects is simple but the process of finding the perfect color of beads and strings and then weaving or tying knots can be

exciting as the animal or bracelet comes to life. The children will be excited when their project is finished. Bring a friend and let's have some fun. Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11843	M-F	July 9-13	12:30-3:30pm	\$145
--------	-----	-----------	--------------	-------

SUMMER OLYMPICS (Grades K-5)

This class will strengthen and build muscles as well as self-esteem. The variety of these gross motor activities will not leave a child left out. These activities will build teamwork as they have to work together and are challenged to accomplish the exercise against other teams. Activities such as the standing and running long jump, the baton pass, jump roping, Frisbee throwing, and relay races will be on the agenda. Good old fashioned water games will be played. Certificates will be handed out for achievements. Bring a friend and let's have some fun. Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11850	M-F	July 16-20	9am-12pm	\$145
#11987	M-F	Aug 6-10	9am-12pm	\$145

IT'S A BUG'S WORLD (Grades K-3)

What's the buzzzz about creepy and crawly bugs. Come and discover the world in which we share with other critters called bugs. Learn how bugs have survived since through the time of ancient civilizations. Explore the bug world in their environments and experiment with creating their habitats. Join us as we study the anatomy, metamorphosis, what they eat, and the communities they live in. Have fun creating bug projects that can be shared and will be taken home. The highlight for each day will be a bug hunt, where students will go outside and collect bugs on their own and classify them. Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11845	M-F	June 25-29	12:30-3:30pm	\$145
#11846	M-F	July 23-27	9am-12pm	\$145

COOL AND SIZZLING ART SCIENCE (Grades K-5)

This is a unique camp where children will explore art and science at the same time. There are many different ways to experience art and a lot of it involves science. This camp will inform children about hot and cold temperatures. They will explore and experiment creating art with heat and cold sources and learn about science using color. Excitement will build as they work with hands-on experiments that ooze and drip, while creating a beautiful art piece to take home. Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11844	M-F	July 9-13	9am-12pm	\$145
--------	-----	-----------	----------	-------

NEW STRINGS AND THINGS (Grades 1-6)

Do you like playing, creating, and making things with string? String is the newest art fun activity that can be dimensional with texture. In this class, the students will learn how to weave and paint with string. Also learn how to make friendship bracelets, worry dolls and much more. Campers will have fun with creating and designing their own art with string. Bring a snack and beverage. Presented by Kathy Segal. Location: Birmingham Covington School

#11848	M-F	July 16-20	12:30-3:30pm	\$145
--------	-----	------------	--------------	-------

ZEN TANGLE AND 3D ART (Grades K-5)

A new and creative art form that is simple and easy that any age can learn. Children will express themselves artistically as they learn how to doodle and design beautiful images making structured patterns. Take home projects include a reference book, greeting cards, book marks and a poster that they created. Let's discover the Zen Tangle method as creativity and imagination flourishes. In 3D Art children will learn how to draw and color optical illusions, create standing sculptures and acquire techniques through shadows, layering and building using many different materials. Watch and observe 3D art come to life. Bring a snack and beverage Presented by Kathy Segal. Location: Birmingham Covington School

NEW CLAY WORKS & EARTHWORKS (Grades 1-7)

Students will create a textured coil pot and slab tile out of clay; then paint, and decorate them. Students will learn about Earth-works and how to work with natural objects and land features to make art. Instructor is Birmingham teacher, Ernest Fackler. Location: Birmingham Covington School

#11837 M-F July 23-27 9am-12pm \$145

CHESS WIZARDS (GRADES K-6)

Chess Wizards is a fun way to have kids experience the excitement of chess. With half and full day classes, kids will play in mini tournaments, have interactive lessons with chess pros and play cool chess variants like bug house. It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills, and increases all levels of academic performance! Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking, and forming concrete opinions. Instructors (who are called "Wizards") provide all the materials necessary for your child to participate in the class and no additional purchase is required to attend. Snacks will be provided but full day kids should bring a lunch. All students will receive a trophy and wizards t-shirt. View video at <https://chesswizards.wistia.com/medias/0uxzsmjsu3>. Come join the fun!!! Location: Birmingham Covington School

SKYHAWKS SPORTS ACADEMY

Skyhawks provides a wide variety of fun, safe and positive programs that emphasize critical lessons in sports and life; such as teamwork, respect and sportsmanship. Our programs are designed to give each child a positive introduction into sports while fostering a lifelong love for games and activities and to give each athlete a complete understanding and overview of the sport. Since 1979 Skyhawks have taught over one million boys and girls life lessons through sports. Please view our website at www.skyhawks.com for further information.

NEW SKYHAWKS BUBBLE SOCCER INCLUDED IN MULTI-SPORTS & GAMES (Grades 1-7)

Skyhawks Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball; Capture the Flag, Dodge Ball and Frisbee Golf. Bubble Soccer will be played one day per week. In addition to learning the proper techniques and rules of these sports and games, the children will be taught life lessons through sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Birmingham Covington School, Gym

SKYHAWKS MINI-HAWK (Pre K-1st Grade)

This multi-sport program gives children a positive first step into athletics. Baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff is trained to handle the specific needs of young athletes. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt, soccer ball and merit award. Location: Birmingham Covington School, Gym

SKYHAWKS SOCCER (Grades 1-7)

Skyhawks was founded as a soccer club in 1979. Thirty years later, we are still the number one choice for parents looking to introduce their children to the fundamentals of the world's most popular sport. Using our progression-oriented curriculum, your young athlete will gain the technical skills and sport knowledge required for the next step into soccer. Designed for beginner and intermediate players, this camp focuses on dribbling, passing, shooting, and ball control. Participants should wear appropriate clothing; bring a water bottle, shin guards, soccer or running shoes and sunscreen and two snacks. Participants will receive a t-shirt, soccer ball and merit award. Location: Birmingham Covington School, Gym

#11805	M-F	Aug 6-10	9am-12pm	\$179

SKYHAWKS GOLF (Grades K-7)

One of our most popular programs, Skyhawks Golf focuses on building the confidence of young athletes through proper technique and refining the essential skills of the game. As we know, golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New at Golf) system which uses modified equipment to its curriculum developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy & effective transition onto the golf course. No need to bring your own clubs, all equipment is provided. Participants should bring appropriate clothing, two snacks, a water bottle, running shoes and sunscreen. Participants will receive a t-shirt and merit award. Location: Birmingham Covington School, Gym

#11820	M-F	Aug 6-10	9am-12pm	\$179

SKYHAWKS TRACK & FIELD (Grades 2-7)

Skyhawks Track & Field was developed to introduce young athletes to this sport rich in tradition and history. These programs combine technical development and fundamental techniques with safety and a major focus on fun! Using special equipment, our staff teach exercises and drills that prepare athletes for a future in cross-country, track & field events, and distance running while inspiring a love for running and being active. The fundamentals of body positioning, stride, proper stretching, and cool-down techniques are covered in this unique program. Participants will put it all together for one fun-filled day at the end of the week at the Skyhawks track meet! Participants should wear appropriate clothing; bring a water bottle, running shoes, sunscreen and snacks. Participants will receive a t-shirt and merit award. Location: Birmingham Covington School, Gym

PISTONS ACADEMY BASKETBALL CAMPS

PISTONS ACADEMY CAMP (Entering Grades 3-9)

The Pistons Academy of Youth Basketball is coming to Birmingham. For those entering grades 3-9, the Pistons Academy Camp offers a unique format designed to prepare players for basketball at any level. With a very structured agenda based on instruction and competition, we hope to enable each camper to out-think as well as out-play their opponents. Campers will participate in the Monday skills combine after which the Pistons Academy Staff will create a detailed agenda designed to improve every player's skill level. After the combine, teams will be formed where players will be taught skills and strategy. Every team will play 15-20 games during the week, concluding with playoffs on Thursday and Friday. For more advanced players, the camp offers strength and conditioning programs to help prepare them for the demands of middle school and high school basketball. Instructors will teach proper footwork and mechanics and focus on these techniques while players compete in games. The Camp will feature many fun contests during the week as well as special appearances from the Detroit Pistons entertainment group (players, mascot, dunk team, legends, etc. All campers receive a free ticket to a 2018-19 Pistons home game. All skill levels welcome. Campers should bring a lunch or may buy pizza lunch for \$5.00. For more information, visit pistonsacademy.com. Location. Groves High School, Gym.
#11929 M-F June 18-22 9am-3pm \$230

PISTONS ACADEMY ROOKIE CAMP (Entering Grades 2-4)

This camp is uniquely designed for the younger basketball player. Coaches from the Detroit Pistons Academy of Youth Basketball will teach the fundamentals in a fun yet challenging environment. Skill development, rule comprehension and sportsmanship are the focus as instructors teach the value of being a good teammate. Campers should bring a lunch or may buy a pizza lunch for \$5.00. An awards ceremony will conclude the camp on Friday, where all players will receive an award and be recognized for their efforts. Every camper receives a Pistons gift bag full of Detroit Pistons gear including a ticket to a 2018-19 Pistons home game. For more information, visit pistonsacademy.com. Location. Bingham Farms Elementary, Gym.
#11930 M-F July 16-20 9am-1pm \$180

LADY PISTONS BASKETBALL CAMP (Girls Entering Grades 4-9)

Due to popular demand, the Lady Pistons Basketball Camp has been extended two hours per day and will run from 9am-3pm all week. Girls will work in skill development and strength training drills as well as play games and participate in contests. Classroom sessions will break down the game through film sessions and chalk-talks. Every girl will be evaluated and given an assessment card after camp to gauge their strengths and weaknesses. Team building drills and rule comprehension are also included. All campers receive a free ticket to a 2018-19 Pistons home game. All skill levels are welcome. For more information, visit pistonsacademy.com. Bring a snack, lunch and beverage. Campers should bring a lunch or may buy a pizza lunch for \$5.00. Location: Groves High School, Gym
#11928 M-F July 23-27 9am-2:30pm \$230

RECREATION CAMPS

BIRMINGHAM COMMUNITY EDUCATION

BRENT DAVIES GOLF CAMP
FOR BOYS AND GIRLS
(GRADES K-8)

Come join us for lots of fun learning how to play golf or building on skills of current young players. Our golf camp Instructor, Brent Davies is an International PGA and United States Golf Teachers Federation Certified Golf Teaching Professional, World Golf Coaches Alliance Certified Golf Coach, Golf Teaching Professional at Pine Knob Golf Club, and the 2015 Canadian Golf Teachers Federation Canadian Cup Champion.

During this four-day one-week camp students will learn the fundamentals of the golf swing, from grip to set-up, to posture and alignment. The Tee shot, iron play from the fairway, chips and pitches around the green, long and short putting, etiquette, and basic rules will also be discussed. All equipment will be provided; Students are welcome to bring their own clubs. Camp runs for 1.5 hours a day. Coach Davies designed and teaches this camp with real feel fairway hitting mats, real speed putting mats with a 30-ft. mat, chipping greens, and clubs designed for every sized child to ensure kids have fun in a low-pressure environment. No camp on Wednesday, July 25. Location: Birmingham Covington School, Field

#11795 M-T-Th-F July 23, 24, 26, 27 10-11:30am \$100

CHALLENGER SPORTS,
BRITISH SOCCER CAMPS

Challenger Sports' British Soccer Camp is the most popular soccer camp in the country. Hundreds of Challenger coaches each year have helped develop one of the most innovative approaches to coaching youth soccer in the US. Our experienced staff study the game at all levels and we have identified the key techniques and skills that young players need to work on and master to reach their true potential. Each day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages, and a daily World Cup tournament.

FIRST KICKS (Ages 3-4)

Our innovative camp curriculum introduces young players to the soccer basics through fundamental activities, games and fun challenges. We strive to create a perfect learning environment with maximum participation, lots of repetition and of course as much fun as possible. Your young campers will come away from the magical week not only with a better understanding of soccer, but with a true love for the game! Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location: Birmingham Covington School, Gym

#11944 M-F July 9-13 9-10am \$115

MINI-SOCCER (Ages 4-5)

Fun games, low key competition and challenging skill-building activities will captivate and enlighten your younger players. A longer and slightly more advanced program for younger players to learn and develop their individual skills with fun games and practices. Sessions remain upbeat and fun but emphasis is placed on learning correct techniques and ensuring no bad habits are picked up at an early age. Players are also exposed to small sided games where a basic understanding of rules and strategy is introduced. Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location: Birmingham Covington School, Gym

#11946 M-F July 9-13 10:10-11:40am \$145

HALF DAY PLAYER DEVELOPMENT CAMP (Ages 6-18)

A three hour daily coaching program that provides technical and tactical instruction in all areas of the game. Emphasis is placed on individual skill development and mastery of core techniques through individual drills, small group practices and coached games. This program also includes our famous World Cup tournament. During the World Cup campers are split into teams (countries) and they represent that country throughout the week in scrimmages and challenges. This week long competition encourages our "Champions of Character" and concludes on Friday during our closing ceremony. Bring a water bottle. Presented by Challenger Sports, British Soccer Camps. Location: Birmingham Covington School, Gym

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/i-pods/i-pads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider's policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2018 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. PLEASE select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an "Administration of Medication Form." This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. PHOTO I.D. IS REQUIRED AT PICK-UP! For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. ***If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.***

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. ***Notification of cancellations are sent via email.*** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "no." BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.

WAIVER OF LIABILITY AND HOLD HARMLESS AGREEMENT

FOR ALL COMMUNITY EDUCATION ACTIVITIES

EVENTS / CLASSES / CAMPS / OPEN SWIM / ATHLETIC LEAGUES

Participant under 18 years of Age

1. In consideration for receiving permission to participate in the Birmingham Public Schools Community Education Activity of my choice, I hereby RELEASE, WAIVE, DISCHARGE AND COVENANT NOT TO SUE and further hereby AGREE TO INDEMNIFY AND HOLD HARMLESS Birmingham Public Schools, the members of its Board of Education (in their official and individual capacities), administrators, agents, servants or employees (hereinafter referred to as RELEASEES) from any and all liability, claims, costs, expenses, attorney fees, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by me, or any of the property belonging to me, WHETHER CAUSED BY THE NEGLIGENCE OF THE RELEASEES, or otherwise, while participating in such activity, or while in, on or upon the premises where the activity is being conducted.
2. I am fully aware of and acknowledge the potential risks of serious personal injury associated with this activity. I hereby elect to voluntarily participate in said activity with full knowledge that said activity may be dangerous to me and my property. I VOLUNTARILY ASSUME FULL RESPONSIBILITY FOR ANY RISKS OF LOSS, PROPERTY DAMAGE OR PERSONAL INJURY, INCLUDING DEATH, that may be sustained by me, or any loss or damage of property owned by me, as a result of being involved in such activity, WHETHER CAUSED BY THE NEGLIGENCE OF RELEASEES OR OTHERWISE.
3. It is my express intent that this Waiver of Liability and Hold Harmless Agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representative, if I am deceased, and shall be deemed as a RELEASE, WAIVER, DISCHARGE AND COVENANT NOT TO SUE the above-named RELEASEES. I hereby further agree that this Waiver of Liability and Hold Harmless Agreement shall be construed in accordance with the laws of the State of Michigan.
4. IN SIGNING THIS AGREEMENT, I ACKNOWLEDGE AND REPRESENT THAT I have read this Waiver of Liability and Hold Harmless Agreement, understand it and sign it voluntarily as my own free act and deed; no oral representations, statements, or inducements, apart from the foregoing written agreement, have been made; I am fully competent; and I execute this Release for full, adequate and complete consideration fully intending to be bound by same.

Signed on this ____ day of _____, 20__.

PRINT NAME OF PARTICIPANT _____

I/we, the Parent(s)/Legal Guardian(s) of the above named Participant, consent to the minor Participant's participation in the Birmingham Public Schools Community Education Activity(ies), acknowledge the risks associated with the Participant's participation therein, and in consideration of my/our minor Participant's permission to participate in said Birmingham Public Schools Community Education Activity(ies) agree to be bound by this Waiver of Liability and Hold Harmless Agreement and the terms contained herein. Additionally, I/we consent to Birmingham Public Schools seeking reasonable and necessary medical treatment for my/our minor Participant during such event or associated activities, and agree to be responsible for any cost/expenses associated with such treatment.
