

2019 Summer Camp Guide

Welcome to the 2019 BPS camp brochure!

I encourage you to peruse these opportunities with your child(ren) to find the program that's a fit for them. Each and every camp is exciting, fun-filled, engaging and affordable. You'll find our teachers and coaches to be highly skilled in what they offer and dedicated to making your child's summer a season to remember.

Don't forget the power of learning through "play". Our programs complement the school year and provide participants with a focus on enrichment, recreation sportsmanship, social skills and more. I am proud of the many offerings we have for students during the school year, and summer is no exception. You'll find BPS pride in each and every experience.

Enjoy planning for your child to have a terrific summer! We are here to make that happen!

Sincerely,

*Mark Dziatczak
Superintendent of Schools*

FULL DAY CAMP COMBINATIONS AND KIDS CLUB OPTIONS

**Create your day of fun...mix and match with camps
at Birmingham Covington School (BCS)!**

**Campers (Grades K-8th grade) attending camps at BIRMINGHAM COVINGTON SCHOOL (BCS)
FROM JUNE 24-AUGUST 9 have several options:**

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add before (7:30-9 a.m.) and/or after (3:30-6 p.m.) Kids Club (latchkey), for an additional charge.
- Add open swim or swim lessons to your week, for an additional charge. (See below.)

The location of Kids Club is in the Birmingham Covington School Cafeteria. Kids Club activities will include arts and crafts, games, free time and outdoor play. Register online to enroll your child in Kids Club. Enrollment is limited. Drop-in Kids Club (latchkey) is not available. There is a late fee of \$25 for pickup between 6:00 and 6:15 p.m.; and an additional charge of \$2.00 per minute after 6:15 p.m. Repeated late pick-ups may result in loss of this service.

AM KIDS CLUB: 7:30-9 a.m. \$30/week (Week of July 1-3 see REMIX on page x)

PM KIDS CLUB: 3:30-6 p.m. \$40/week (Week of July 1-3 see REMIX on page x)

SUPERVISED LUNCH OPTION

Campers (Grades K-8th grade) attending camps at Birmingham Covington School from June 24-August 9 attending a morning (9 a.m.-12 p.m.) and an afternoon (12:30-3:30 p.m.) camp in the same week, may stay for supervised lunch (12-12:30 p.m.). Register online for this free option by selecting the appropriate "Lunch Option" in addition to the summer camps for which you are registering your child(ren). Parents also need to indicate the lunch option on your child's morning camp sign-in sheet when arriving at camp. Campers will need to bring their lunch and drink in a non-breakable container. There is NO food service onsite.

SUMMER FUN SWIM LESSONS AND OPEN SWIM INFORMATION

Choose swim lessons or open swim time for your children when it's too hot, hot, hot and you just want your children to cool off or learn to swim in the Birmingham Covington School pool! Swim lessons will be taught by our certified lifeguard staff. Students will be grouped by skill level with no more than 1:8 instructor to child ratio.

CAMP COLLEGE 2019
(Incoming High School Seniors)

The Camp College Program serves to prepare incoming seniors in the college application process. This program offers assistance and guidance in researching a college list, completing the application, writing the essay, and completing and transmitting documentation such as testing, transcripts and letters of recommendation. Mrs. Stahl will direct the class along with invited guest speakers to share tips and strategies. Each day will cover the main aspects of the college application and search process while also allowing time for individualized attention. **There is no camp on Friday. Presented by Judith Stahl. Location: Seaholm High School, Media Center

Summer Fun Camps • JULY 1-3

(NO CAMP ON JULY 4 & 5)

REMIX CLASS DESCRIPTIONS

(Grades K-8)

REMIX: MULTI-SPORT & GAMES
Multi-Sport and Games program is a compilation of our favorite childhood recess and gym class activities. Participants will play Kickball, Capture the Flag, Dodge Ball and Frisbee Golf. In addition to learning the proper techniques and rules of these games, the children will be taught life lessons through these sports. This will include the importance of Sportsmanship, Leadership and Respect for their opponents, coaches and officials.

REMIX: WATER GAMES
(ON LAND AND IN THE POOL)
Campers need to bring or wear their swim suit and bring a towel. We will be playing a variety of water games on land where participants will learn teamwork, sportsmanship, and leadership all in a safe environment. If time, open swim will follow.

REMIX: COOL AND SIZZLING ART SCIENCE
This is a unique camp where children will explore art and science at the same time. There are many different ways to experience art and a lot of it involves science. This camp will inform children about hot and cold temperatures. They will explore and experiment creating art with heat and cold sources and learn about science using color.

REMIX

REMIX will offer 3 classes daily (water games/open swim, multi-sports and games, and science/art). Come ready to have FUN! Wear gym shoes, pack your swimsuit and towel — be ready for anything! Campers will be grouped according to grades and rotate to a different age appropriate activity. Campers will need to bring two snacks, lunch and drink in a non-breakable container. Structured program hours 9 a.m.-3:30 p.m. Optional Kids Club is included in the price below!

DOUG BALTZ IS BACK WITH OPERATION STEM FOR GRADES 4-7!

Come and be an active participant with the BEST TEACHER IN THE NATION in Operation STEM 2019 at Seaholm High School. Students will carry out investigations and engineering design projects related to core ideas in the disciplines of science, technology, engineering, and mathematics. Interpreting data, computational thinking, constructing explanations, and designing solutions while working with lasers, photovoltaic cells, alternative energy, and much more. Operation STEM 2019 will also incorporate activities/ideas to explore from various engineering organizations and professionals from our community. Outside activities and discussions will occur daily. Students should bring lunch and beverage in a non-breakable container. Seaholm High School, Room B108 Science Classroom

hightouch hightech Science Made Fun!

HIGH TOUCH HIGH TECH / SCIENCE MADE FUN!

Science summer camp programs are geared for the kindergartener through sixth grade camper and provide fun and safe science activities for children that will keep their minds active during the summer months. Your inquisitive campers will enjoy, "Doing science, not viewing science", as they participate in hands-on science experiences that are age and academically appropriate. High Touch High Tech scientists are trained to foster a creative and non-competitive environment in which all campers are encouraged to share their knowledge and ideas while interacting with their peers in our summer camp programs. All materials are included and many programs provide take home experiments. Each of your campers will be recognized for their contributions and accomplishments by receiving a science certificate of participation. Our enriching science summer camp activities provide inspiring experiences and opportunities for the curious camper to investigate a wide variety of science topics in ways that will be both meaningful and memorable.

HIGH TOUCH HIGH TECH - LIFE SCIENCE SPECTACULAR (Grades K-6)

Smarty Plants© - Get all of the "seedy" facts as we learn about the amazing world of plants. Discover photosynthesis, germination, transportation inside a plant and much more. The Chain Gang© - Join the chain gang, the food chain that is. Have fun as we learn about predator/prey relationships and dissect real owl pellets. Discovery why honeybees are so important to the balance of nature and more. Jurassic Classic© - Step back in time to the age of dinosaurs. Become a paleontologist and discover real fossils. Uncover the mysteries of the dinosaurs. Make your very own fossil, DNA and much more. Globbs, Goo, and Guts© - Roll up your sleeves and make some icky sticky stuff! Have a hands-on look at real animal guts! Learn the systems of the body and find out what makes us tick! Extreme Scene© - Have fun as we learn how animals and plants adapt to the Earth's extreme environments. Explore how a cactus conserves water and meet Slithers, our friendly Ball Python. Bring a snack and beverage. Presented by High Touch High Tech. Location: Birmingham Covington School (BCS)

Grades K-6

13716 M-F June 24-28 9:00 AM - 12:00 PM \$200

HIGH TOUCH HIGH TECH - ENERGY EXPLORATION (Grades K-6)

Newton In A Nutshell© - Step back in time to the days of Newton. Have FUN as we push, pull, and get the job done! Discover gravity and take a hands-on look at forces and motion. Power of Light© - Find out just how amazing light is. Discover who ROY G BIV is and the electromagnetic spectrum. Become "energized" as we light up bulbs and learn about invisible light. Edison's Workshop© - Explore the amazing world of electricity. Learn what's "current" as we make circuits, explore electricity, and much more! Get all the Hair-Raising facts! Cosmic Capers© - Travel through space as we explore our solar system. Blast off as we discover how the Earth travels around the Sun, centrifugal force, and the "reason for the season". Enjoy some astronaut ice cream and jump on the moon. Matter Matters© - Discover all states of matter including plasma. Explore evaporation rates and the cool journey from liquid to gas. Discover different types of heat transfer and much more! Bring a snack and beverage. Presented by High Touch High Tech. Location: Birmingham Covington School (BCS)

GAME CRAZY

ROBOTICS CAMP (Ages 5-13)

AGES 5-8: Does your child love to play soccer? Now, using Game Crazy's LEGO robots, your kids can build out all the components of a soccer game and play LEGO soccer matches against other kids! On the first day, kids will learn how to build and program a kicker and goalie robot using axels, levers, wheels and more. In subsequent days, they will build cheering fans who will jump up and down and make cheering sounds when the ball passes by them by making use of motion sensors and more. Using simple drag and drop programming, kids will learn to bring these robots to life and put them together to play soccer matches while learning to keep score, work in teams and much more. Highly fun and educational LEGO camp for your little soccer player.

AGES 9-13: Using LEGO NXT Robots, we transport kids to a far off planet where they build autonomous robots to make the planet habitable by humans. Young campers learn to build and program these robots to navigate challenging terrain and carry out various complex missions like excavating lake water, transporting rocks and more. In the process, campers will learn Science, Technology, Engineering and Math concepts in a "minds-on hands-on" environment. Campers will use a variety of sensors like sound sensors, ultrasonic sensors, color sensors and touch sensors to make their robots self-aware. Using an easy to learn drag and drop programming, campers will learn to make their robots autonomous. Will your child be able to solve the missions that await? This is one camp that your child will not want to miss out on! Campers should bring a snack and water bottle. Presented by Game Crazy. Location Seaholm High School, Rm C104

MINECRAFT REDSTONE CAMP (Ages 8+)

Students will use the popular video game Minecraft to learn about electronic circuits, electricity and wiring in a fun, game filled environment. Redstone is a fictional element in Minecraft that can power all the things that your child creates - from doors, lamps, rail tracks to houses and much more. Students will learn the basics of powering their world using Redstone and learn to build amazing creations like password protected doors, a collapsing bridge, secret mazes and many other challenges that will get them thinking, learning and building! Along the way, your child will learn about electronic circuits, AND OR gates, inverters, repeaters and much more! Bring a snack and beverage. Presented by Game Crazy. C104 Classroom

LEGO STAR WARS STOP MOTION ANIMATION CAMP (Ages 6+)

From a galaxy far, far away, Star Wars comes to life! Work on a stop-motion animated LEGO® Star Wars movie. Use our Star Wars action figures to star in your own mini- movie ... the possibilities are endless! Star Wars action figures, LEGO bricks and backdrops will be available for filming in class. Handle all of the technical details including using a digital movie camera, filming scenes, stop-motion animation, digital editing and adding finishing special effects and transitions to the movie. In this exciting hands-on learning class, learn the entire digital film making steps from start to finish NOTE: Please have your child bring an 8GB USB flash drive to class every day so that they can take their animations home. Bring a snack and beverage. Presented by Game Crazy.

MINECRAFT CAMP SUSTAINABLE VILLAGE & HISTORICAL QUESTS (Ages 7+)

Kids LOVE to play Minecraft. Why not use it to teach them educational concepts? That is exactly what Game Crazy does with their Minecraft camp. Over the course of 5 days, kids will learn about digital citizenship, sustainability, history and architecture through fun and games in the virtual world of Minecraft. During the first two days, kids will learn about digital citizenship (how to behave responsibly and respectfully in an online world) and learn about sustainable practices by coming up with ideas to build different parts of a village using sustainable and eco-friendly ideas. During the last two days of camp, they will visit historical lands like Greece, Rome or India where they will interact with actual historical characters and learn about these characters, the history of these lands and carry out quests given by these characters for in-game valuable items and points. All equipment will be provided. Bring a snack and beverage. Presented by Game Crazy. Location: Birmingham Covington School

Ages 7+

13719 M-F July 8-12 12:30 PM - 3:30 PM \$150

VIDEO GAME DESIGN CAMP (Ages 8+)

Kids love playing video games. Now they can build their own! What better way to teach a child core STEM concepts than using a medium that has their full attention? Kids will immerse themselves in all aspects of video game design - from game ideation to storyboarding to the iterative development process of prototyping and testing. Kids also get to take home their video game. NOTE: Please bring an 8GB USB flash drive to class every day so that your child can take their animations home. Bring a snack and beverage. Presented by Game Crazy. Location: Birmingham Covington School

Ages 8+

13732 M-F July 15-19 9:00 AM - 12:00 PM \$150

ENRICHMENT CAMPS

GENIUS EDUCATION

Mr. Groseclose (aka "Mr. Genius") is an experienced and fun-loving instructor with a special gift for working with children and youth. He has a way of connecting with young people and engaging them to have fun while reaching their full potential. He has taught Birmingham Public Schools' Summer camps and other afterschool classes for many years.

ENRICHMENT CAMPS

GENIUS LEGO® ENGINEERING (Grades 1-5)

Enter the exciting universe of LEGO® learning! Students journey into the field of engineering using our special LEGO® Education kits. This is an exciting way for students to navigate the world of engineering while combining fun and active learning. Students will enjoy hands-on learning as the engaging LEGO® building projects take them on an exploration of STEAM (Science Technology Engineering Art Math) concepts in the area of LEGO® engineering. Students will learn through guided exploration into new concepts, and they will be challenged to develop their imagination and creative ideas into working designs. Students learn a variety of LEGO® engineering skills as they work with wheels and axles, gears, levers and pulleys and much more while learning to be a part of a team as they work in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location: Birmingham Covington School

Grades 1-5

13657 M-F July 8-12 9:00 AM - 12:00 PM \$185

GENIUS LEGO® MECHATRONICS (Grades 3-8)

Calling all LEGO® enthusiasts! Calling all technology, computer science, electronics aficionados and future engineers. LEGO® Mechatronics is for YOU! Students will learn about the exciting interdisciplinary field of mechatronics while exploring the fun and engaging hands on building, developing and learning projects and activities. Students will build and experiment with a variety of motorized creations using our special LEGO® Education kits. Students will gain a good understanding of basic mechatronics concepts including engineering principles, mathematics, electronics, mechanics and computerization. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location: Birmingham Covington School

Grades 3-8

13658 M-F July 8-12 12:30 PM - 3:30 PM \$185

GENIUS COMPUTER GAME MAKING (Grades 3-8)

Make your own computer games! Students learn valuable computing, keyboarding and basic programming skills as they make and modify their own exciting computer games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. Classes are tailored toward beginner, intermediate and advanced skill levels. Email access and flash drive are strongly recommended. Windows computer required. All games, program and downloads are the students to keep! Students will learn new skills and make different games every time! Bring a snack and beverage. Location: Birmingham Covington School

Grades 3-8

13654 M-F July 22-26 9:00 AM - 12:00 PM \$185

GENIUS COMPUTER GAME DESIGN (Grades 3-8)

Create and design your own computer games! Students learn and develop valuable computing, keyboarding and game design skills as they make and modify their own exciting computer games from start to finish. They will learn how to create and control characters, objects, and outcomes in their games. Students can increase difficulty settings, add levels and more! The graphic design allows for easy game development and students will also explore graphic animation. No previous experience required, and advanced programming options are available. 13653 M-F July 22-26 12:30 PM - 3:30 PM \$185

GENIUS ENGINEERING (Grades 1-5)

Build and keep your own collection of GENIUS Education brick kits. GENIUS Engineering is perfect for kids who simply can't get enough toy brick building and play! Students develop problem solving and creativity as they build a variety of kits as designs specifically selected to fit each student's grade and building skill level. Students assemble all their builds using a design pamphlet for each kit and become junior engineers challenged to design new creations using their kits. Over the course of the class, students participate in activities and experiments, challenges and races designed to demonstrate science and engineering concepts. Kits are made of toy bricks that are comparable to and compatible with other major brands like LEGO®. Students take home everything they build! New builds every time! Bring a snack and beverage. Location: Birmingham Covington School

GENIUS ROBOTICS (Grades 3-8)

It's time to go all out into the world of Robotics through the GENIUS Education STEAM enrichment camp! Students will learn about robotics, explore new concepts and gain new robotic engineering skills as they join in this fun and engaging Genius Education camp. Students experience the thrills of learning through hands-on activities and projects. Students will build and modify robotic machines, vehicles and gadgets, developing their robotics skills using our special kits. GENIUS Education classes can be taken in any order as the new concepts and builds stand-alone while building on the versatile and engaging foundation of GENIUS Education STEAM enrichment. Students strengthen their teamwork skills as they engage in groups of 2-3 students per kit. New builds every time! Bring a snack and beverage. Location: Birmingham Covington School

KIDS EMPOWERED CAMPS

Girls and Boys Empowered/Kids Empowered has provided empowerment programs for thousands of children for over 20 years. Each camp is designed to focus on different self-esteem and confidence building activities, social skills, and practical strategies to deal with the issues kids face with their friends and classmates at recess, in the lunch room, in the hallways, and in LIFE! We teach the Kids Empowered curriculum through interactive games, role playing, themed crafts, poster activities, team building, physical fitness, yoga and mindfulness. Emotional Intelligence matters, learning these skills and strategies can benefit every kid no matter what their level of confidence. Each week has a different focus and themed activities. Further information at kidsempowered.com or 248-757-0912.

NEW KIDS EMPOWERED SLIME TIME (Ages 4-6 and Grades 2-5)

Kids LOVE slime! At Kids Empowered we use slime in lots of fun ways to teach social skills and emotional management. One way we use slime is that it represents sticky situations kids face on the playground, in the classroom and at home. Kids will learn how to recognize they are in a sticky situation and learn strategies to respond to unfriendly classmates, friend comments and actions, sibling conflict and everyday challenges. We will have some fun empowerment lessons with the Slime Time show. One day, kids will make different colors of slimes that represent their emotions and learn ways to manage them. We will even practice mindfulness with slime. Each day the kids will make slime to represent different lessons. Lots of games, fun and role playing to handle sticky situation in this camp. Campers should bring a snack and water bottle in a reusable container. Presented by Kids Empowered. Location Birmingham Covington School

GIRLS EMPOWERED: YOGA GIRLS & MINDFULNESS (Ages 4-6 thru Middle School)

Develop strategies for managing emotions, stress, worries and daily challenges. Girls will have fun and receive the benefits from yoga of strengthening their bodies & relaxing their minds while learning how to be grounded to deal with hot/cold friendships and trying to fit in. We will look at mindfulness, music, creativity, journaling, the importance of building a supportive network, and everyday ways to cope with stress. We'll explore how yoga, mindfulness, meditation and self-care can promote better self-esteem, a greater sense of confidence and emotional balance. This week of camp will include daily yoga, mindfulness and address significant areas of stress for girls. Girls will walk away with the social connection and the sense of belonging and the visuals to build a yoga toolbox full of empowering tools. Wear comfortable clothing & bring a Yoga mat/towel. Full day camp includes daily swimming. Full day campers bring a snack, bag lunch, beverage in non-breakable container, swim suit and towel. Presented by Girls Empowered. RATA2EE

RATA2EE RANGERS COOKING CAMP (Grades 1-5)

Children learn healthy cooking skills, through fun and play! Each day of this 1-week camp, kids will make and eat a morning snack, get in some fun exercise activities, cook and eat a 3-course meal, learn basic gardening (where food grows and what plants need to grow), play nutrition games, and end their day with kids yoga. Rata2ee teaches cutting techniques (with kid-safe knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn what makes a healthy plate. This well-rounded camp takes a holistic approach to healthy living. Each day starts and ends with a theme word that promotes character-building. Camps are taught by ServSafe Certified chefs and elementary teachers who already work within local schools. As part of the registration process, parents must sign a liability waiver for any child to attend. A week before the camp starts, an email with important information (like what to wear, what is ok and not ok to bring to the classroom, drop off and pick up information) will be sent. All recipes are nut free; however, all allergies must be listed on the registration/waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. Sessions are limited, so sign up NOW to get the week you want with your friends! Please visit <http://www.rata2ee.com/> for more information. IMPORTANT: To be considered fully registered for this camp, all participants need to fill out additional information (such as allergy information, what type of knife your child has permission to use, and signing a waiver) at: <https://bit.ly/2uyTt5m>. PISTONS ACADEMY BASKETBALL CAMPS

PISTONS ACADEMY PREMIER CAMP (Grades 3-9)

The Pistons Academy of Youth Basketball is coming to Birmingham! For those entering grades 3-9, the Pistons Academy Camp offers a unique format designed to prepare players for basketball at any level. With a very structured agenda based on instruction and competition, we hope to enable each camper to out-think as well as out-play their opponents. Campers will participate in the Monday skills combine after which the Pistons Academy Staff will create a detailed agenda designed to improve every player's skill level. After the combine, teams will be formed where players will be taught skills and strategy. Every team will play 15-20 games during the week, concluding with playoffs on Thursday and Friday. For more advanced players, the camp offers strength and conditioning programs to help prepare them for the demands of middle school and high school basketball. Instructors will teach proper footwork and mechanics and focus on these techniques while players compete in games. The Camp will feature many fun contests during the week as well as special appearances from the Detroit Pistons entertainment group (players, mascot, dunk team, legends, etc...) All campers receive a free ticket to a 2019-20 Pistons home game. All skill levels welcome! Campers should bring a lunch and beverage or may buy a pizza lunch for \$5.00. 2019 Camp Registration Information

REGISTER ONLINE at www.communityed.net: Registration begins February 1, 2019. Registrations are taken on a first-come, first-served basis. Receipts AND ALL CORRESPONDENCE are sent by email ONLY — please make sure we have your correct email address in your "Household" profile. REGISTER EARLY — SPACE IS LIMITED!

NO REFUNDS ONCE A CAMP HAS STARTED.

There is no prorated fee for campers arriving after the start of the week or leaving before its completion. Cancellation and switching week fees will be assessed at \$10/ per camper/per switch. Switching weeks may also limit availability. If camps are cancelled due to severe weather, power failure or other circumstances beyond our control, we regret that we cannot issue refunds.

Camp Location Changes

Birmingham Community Education reserves the right to change a camp's location due to unforeseen building closures and scheduling changes.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/lpads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider's policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2019 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. PLEASE select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an "Administration of Medication Form." This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. PHOTO I.D. IS REQUIRED AT PICK-UP! For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. ***If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.***

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. ***Notification of cancellations are sent via email.*** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "no." BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.

**No Smoking, No Alcoholic Beverages
and No Animals in School Buildings
or on School Property**
