

# FALL 2020

Dear Community Members,

Now more than ever, finding ways to remain active and engaged in lifelong learning is essential to your health and wellbeing. While the last year has been filled with uncertainty, Birmingham Community Education programming remains strong and accessible. Our programming has been shifted to provide options whether we are permitted to meet in person or must remain in the online realm. We know that engaging in a new hobby, craft or learning experience now will be the silver lining we all need to move forward with health and happiness.

In the pages of this brochure, you'll find in-person class options that may be shifted to online programming if gathering restrictions change. Take a moment to browse the options that include Baby Sign & Play, Kids Empowering Workshops, Heartsaver Training and Yoga Fitness.

It is my hope that Birmingham Community Education offerings provide each of you with the pathways to learn and grow despite the difficulties our time presents. I wish each of you good health and wellness in the days, weeks and months ahead.

Sincerely,  
Mark Dziatczak, Superintendent of Schools

## INJURIES & PERSONAL PROPERTY DAMAGE/LOSS

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "NO."

BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

**NO SMOKING/VAPING AND NO ALCOHOLIC  
BEVERAGES OR ANIMALS  
IN SCHOOL BUILDINGS OR ON SCHOOL PROPERTY.**

## COMMUNITY NEWS & EVENTS

*Inspiring minds.  
Expanding  
possibilities.*

Each year, the Birmingham Education Foundation (BEF) raises funds that go directly into BPS classrooms to support projects and programs designed by teachers. This year, the BEF is also aiming to support BPS as the district responds to the challenges presented by COVID-19. In June, the BEF granted \$40,000 to support small group instruction aimed at reversing the negative impact of the school buildings being closed in the spring of 2020.

The BEF is hoping to be able to do more and is asking for the BPS community to come together and support this effort.

To donate, or learn about virtual events like the new Kindergarten Welcome, please visit [SupportBEF.org](http://SupportBEF.org).

By coming together, we can make a difference for our students and schools!

For more information on the BEF visit [www.supportBEF.org](http://www.supportBEF.org) or 248-203-3030.
