CLASS/CAMP CANCELLATIONS

REGISTER EARLY! The most common reason for class cancellation is low enrollment. Every effort will be made to notify registrants that a class has been cancelled. **NOTIFICATIONS OF CANCELLATIONS AND CLASS CHANGES ARE SENT VIA EMAIL.** Please recheck your profile online every time you register for accuracy. Any person registered in a cancelled class will receive a full refund or may transfer to another class in the current semester. Birmingham Community Education reserves the right to cancel any class due to insufficient registrations.

CLASS/CAMP CHANGES

Birmingham Community Education reserves the right to withdraw or change classes/camps, instructors or schedules; to revise tuition and fee structures; and to amend its policies as necessary for smooth and efficient operation.

WAIVER OF LIABILITY AND HOLD HARMLESS

PLEASE FILL OUT THE APPROPRIATE WAIVER ON PAGES 27 AND 28, and include with your registration form. If registering online, a waiver form is part of the registration process; a separate form will not be required. You must have a current waiver on file with Birmingham Public Schools for every class/course/camp you or your children are attending.

Advertise in this brochure!

This brochure is mailed to over 29,000 Birmingham Public School district residents. If you're interested in placing an advertisement in the Summer or Fall 2020 issue, please contact Diane Rampolo at 248.203.3822 or DRampolo@birmingham.k12.mi.us.

The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Beverly Hills, MI 48025, 248.203.3000. INJURIES & PERSONAL PROPERTY DAMAGE/LOSS

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "NO."

BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

**NO SMOKING/VAPING AND NO ALCOHOLIC
BEVERAGES OR ANIMALS
IN SCHOOL BUILDINGS OR ON SCHOOL PROPERTY.**

By taking a unique perspective in presenting the various reasons why our young people are abusing substances and what can be done to prevent it, parents gain the ability to look at their children with more compassion as well as have doable steps to take for prevention. For student assemblies, young adults in recovery relate their personal experience and tragedies as a result of substance abuse and share their expertise.
