## **CHALLENGE ISLAND Virtual STEAM Class (Ages 4 - 6): Great White Bridges**

Join us for this one-time enrichment class, where you will learn about bridges from around the world and the secrets that make them as sturdy as possible, as you take on the challenge of building your own bridges for your adventurers to get across the water safely! We'll provide you with a materials list as well as a Zoom link, where you'll work together with other engineers-in-training to share ideas and demonstrate what you've created! Challenge Island is an enrichment opportunity for kids to grow their skills and knowledge in STEAM (science, technology, engineering, arts, math) through hands-on activities with the vibe of a tropical island. Each class is taught by STEAM professionals and provides lots of opportunities for problem-solving and creativity, as well as positive reinforcement and social interaction in a safe setting. We look forward to seeing you on Challenge Island!

## ADULT, YOUTH & FAMILY KARATE

PKSA Karate Bloomfield provides the best professional and experienced instruction in the art of Tang Soo Do and is operated by James and Ashley Shruga under the direct guidance and personal supervision of Master R. Collins, Sr. and Master R. Collins, Jr.

Tang Soo Do is an excellent way to revitalize your mind and body! Under highly trained supervision, Tang Soo Do is safe, fun, and easy to learn. Learn more about the traditional Korean art of Tang Soo Do at [www.pksa.com](http://www.pksa.com). Instructors and students regardless of rank or years of training will offer you a brotherhood of encouragement and support. Students are advised to bring a bottle of water. Uniforms are available upon request. Optional belts and testing are available for an additional fee; please discuss the options with your instructor. Classes meet at St. Paul

United Methodist Church, 165 E Square Lake Rd, Bloomfield Hills, MI 48302 (located on the north side of Square Lake Road, east of Woodward Avenue, lower level). Classes are in-person if regulations at the time allow.

## FAMILY POWER

For families to train together for one price. This would be an ages 6+ program and it would be designed to be an affordable option for families to train together - though a parent (or other adult) participant would be required. We find that when parents are involved and are interactive in the process that the overall outcomes are more positive for children, families, and communities. Fee is for one adult and 1 to 4 children. Please register the adult only.
