BETTER BONES

This class will educate you, improve your muscle strength and decrease the risk of brittle bones due to osteoporosis. Did you know that weight training for osteoporosis can help protect your bones? Studies show that strength training can help prevent bone loss and even help build new bone. We lose so much muscle as we age that by the time we're 70, we have about 50% to 55% of our muscle mass left. Maintaining strong muscles through weight training helps to keep up your balance and coordination, critical in preventing falls, which can lead to osteoporosis-related fractures.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

CLASS/CAMP CANCELLATIONS

Any person registered in a cancelled class will receive a full refund or may transfer to another class in the current semester. INJURIES & PERSONAL PROPERTY DAMAGE/LOSS

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "NO."

BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

NO SMOKING/VAPING AND NO ALCOHOLIC BEVERAGES OR ANIMALS IN SCHOOL BUILDINGS OR ON SCHOOL PROPERTY.

BLOOM

Upcycle Boutique

Reduce•Reuse•Recycle

Bloom Upcycle Boutique is now open to all Seaholm and Groves students every Tuesday during both lunches and immediately after school in the Seaholm High School Cafeteria.

Bloom encourages students to Reduce, Reuse, and Recycle. Instead of paying for items at Bloom, students simply write notes of gratitude about their school, teachers, and staff to help create a caring and positive community.

Bloom runs on donations and is always looking for gently-used clothing and other items high school students love such as jewelry, accessories, athletic gear, college gear, winter items including coats and boots, candles, sunglasses, young adult books, test prep workbooks and Seaholm & Groves caps & gowns.

Items can be dropped off in the Seaholm security vestibule at 2436 W. Lincoln Street from 8-3 p.m. on school days. Please label items, BLOOM.
