NUTTY SCIENTISTS

ENRICHMENT CAMPS

A wacky way to make science stick.

Since 1996, children around the world have benefited from the Nutty Scientists® method for learning through experimentation, participation, and most of all – fun! Last summer she moved back to Michigan where she is currently a second grade teacher and she could not be more excited about Safety Zone! She feels it is very important for children to learn the basic safety lessons they will use for the rest of their lives! She is a mom of a four-year-old and a teacher, and sees the importance of every child knowing they have the power to stay safe and have fun. She is extremely excited to provide quality instruction about community safety, giving you a peace of mind in knowing that you helped your child become a safer community citizen.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/Ipads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider's policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2022 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. **PLEASE** select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an “Administration of Medication Form.” This form is available on the homepage at the Community Education website: www.communityed.net. We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Please know that we draft our summer brochure months in advance of publication to your mailbox. We continue to follow all state guidelines regarding in-person returns, and may make changes to our programming based on these state requirements. **You can learn more about our response to COVID-19 and plans on our website at www.birmingham.k12.mi.us/covid19**

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. **Notification of cancellations are sent via email.** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Injuries and Personal Property Damage and Loss

We are frequently asked: “Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?” A follow-up question is: “Does the district have insurance to protect personal property that I or my children may bring to school?” The answer is “no.” BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

PLEASE NOTE:

**WE CANNOT ACCOMMODATE GUESTS.
NO SMOKING, NO VAPING, NO ALCOHOLIC BEVERAGES
