NUTTY SCIENTISTS

A wacky way to make science stick.

Since 1996, children around the world have benefited from the Nutty Scientists® method for learning through experimentation, participation, and most of all – fun! Through our revolutionary methodology and programs, which span many areas of science, sustainability and general life education, we teach scientific concepts in a way that children understand and remember.

Nutty Scientists® Southeast Michigan Camps are an innovative form of “edutainment” (entertainment + education). Combining fun with learning, each camp contains an educational theme that keeps children engaged from day to day. One new theme is learned each day, and all activities are related to this theme, therefore children stay focused on one subject matter, solidifying the concept.

ACTING OUT with MR. JON

Mr. Jon Hoff has been a Paraprofessional in the Birmingham school system for ten years, and five years working in the Farmington, Southfield, and Northville school systems, assisting grade K-12 teachers with special needs children. He has always enjoyed sharing his love of theater and imagination with grade school and middle school children, and has put on several very successful after school plays, including Macbeth, Hamlet, Dracula, Frankenstein, Oliver Twist, and Hound of the Baskervilles. He has also taught after school and summer improv sessions for over five years, using games and exercises to teach kids the art of improvisation. Challenger Sports' British Soccer Camp is the most popular soccer camp in the country. Hundreds of Challenger coaches each year have helped develop one of the most innovative approaches to coaching youth soccer in the US. Our experienced staff study the game at all levels and we have identified the key techniques and skills that young players need to work on and master to reach their true potential. Each day includes individual foot skills, technical drills, tactical practices, small-sided games, coached scrimmages, and a daily World Cup tournament.

CORE SOCCER CAMP (AGES 6-14)

Our curriculum and coaching foundation meets engaging delivery for an all-around positive experience. 2024 Camp Registration Information

REGISTER ONLINE at www.communityed.net: Registration begins February 15, 2024. Registrations are taken on a first-come, first-served basis. **Receipts AND ALL CORRESPONDENCE are sent by EMAIL ONLY** — please make sure we have your correct email address in your "Household" profile. **REGISTER EARLY — SPACE IS LIMITED!**

NO REFUNDS ONCE A CAMP HAS STARTED.

There are no prorated fees for campers arriving after the start of the week or leaving before its completion. Cancellation and switching week fees will be assessed at \$10/per camper/per switch. Switching weeks may also limit availability. If camps are cancelled due to severe weather, power failure or other circumstances beyond our control, we regret that we cannot issue refunds. **Please note "Material Fees" are not refunded if the camp is dropped after the first day.**

Camp Location Changes

Birmingham Community Education reserves the right to change a camp's location due to unforeseen building closures and scheduling changes.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/lpads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider's policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2024 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. **PLEASE** select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an "Administration of Medication Form." This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Waiver Of Liability And Hold Harmless

If registering by mail or fax you must include the waiver on page 32. If registering online, a waiver form is part of the registration process; a separate form will not be required. You must have a current waiver on file with Birmingham Public Schools for every class/course/camp you or your children are attending.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. **PHOTO I.D. IS REQUIRED AT PICK-UP!** For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information

in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Please know that we draft our summer brochure months in advance of publication to your mailbox. We continue to follow all state guidelines and may make changes to our programming based on these state requirements. **You can learn more about our response to pandemics and plans on our website at www.birmingham.k12.mi.us/covid19**

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. **Notification of cancellations are sent via email.** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "no." BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.
