

Winter & Spring 2019

Dear Community Members,

Education is a lifelong journey that offers rewards in every area. As I've spent the better part of the school year as Interim Superintendent, the district's commitment to lifelong learning and building a strong sense of community has been evident. In the pages of this brochure, you will find opportunities to connect with neighbors near and far as you learn and grow together. Stay active through programs for all ages and abilities. Reserve spaces to collaborate and gather through our rental services. As we enter a new season, I encourage you to take advantage of the opportunities available through Birmingham Community Education to benefit and enrich not only your life, but the lives of those around you as well.

Sincerely,

John Silveri, Interim Superintendent

YOUTH • BABY SIGN & PLAY

BABY SIGN & PLAY - My First Signs

"Baby Sign Read and Play" for children ages 0-3 years old is a curriculum focused on three easy things parents can do to boost their child's development – SIGN, TALK and READ. American Sign Language vocabulary is taught as a means of communicating with baby before they can talk, to clarify the speech of a child who has already begun speaking and also as a great foundation for a second language! It will show parents how to naturally enrich early learning through everyday interactions, focusing on story time and sharing their favorite nursery rhymes. Vocabulary based on Baby Signing Time DVDs Vol. 1 and Vol. 2 Bonus signs: Colors and Seasonal Signs Learn the most useful starter signs including those for food, drink, pets, family, clothing, transportation, manners and bedtime. Each week also features a signing tip in which we will discuss the benefits of using ASL with babies and toddlers. I am certified to teach with Signing Time Academy as a Baby Signing Time Instructor. Instructor: Lynn Dowe Location: Seaholm High School, Room E104 Lower Level, stairs across from Media Center. Come through Birmingham Community Education doors by the auditorium.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

CLASS/CAMP CANCELLATIONS

Any person registered in a cancelled class will receive a full refund or may transfer to another class in the current semester. NOTICE OF NONDISCRIMINATION

There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Beverly Hills, MI 48025, 248.203.3000. INJURIES & PERSONAL PROPERTY DAMAGE/LOSS

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "NO."

BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

**NO SMOKING AND NO ALCOHOLIC BEVERAGES
IN SCHOOL BUILDINGS OR ON SCHOOL PROPERTY.**

Keep Them Safe, Keep Them Healthy – provides education and awareness to both parents and their teens to open up the lines of communication between them. By taking a unique perspective in presenting the various reasons why our young people are abusing substances and what can be done to prevent it, parents gain the ability to look at their children with more compassion as well as have doable steps to take for prevention. For student assemblies, young adults in recovery relate their personal experience and tragedies as a result of substance abuse and share their expertise.

Vaping BBCC can provide a youth or adult focused presentation about the facts on vaping and other resources.
