

2026 Summer Camp Guide

Adventure awaits your child with BPS Summer Camps!

Dear Birmingham Public Schools Community,

We are pleased to share our Community Education Summer Camp Guide. Birmingham Public Schools remains committed to providing meaningful learning experiences throughout the year, and our summer camps are an important extension of that work.

This summer, students will have opportunities to explore the arts, stay active, build new skills, and discover new interests. Our programs serve a wide range of ages and interests and reflect the strengths of our community. We are grateful to partner with local organizations and experts who help ensure our camps are engaging, supportive, and enriching for students.

Summer learning can be both fun and meaningful, and these programs give students the chance to grow, connect, and try something new in a welcoming environment.

Thank you for your continued support of Birmingham Public Schools. We hope your summer is filled with learning, exploration, and a strong sense of community.

INJURIES & PERSONAL PROPERTY DAMAGE/LOSS

We are frequently asked: "Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?" A follow-up question is: "Does the district have insurance to protect personal property that I or my children may bring to school?" The answer is "NO."

BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.)

WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.

NO SMOKING/VAPING, NO FIREARMS AND NO ALCOHOLIC BEVERAGES OR PETS/ANIMALS IN SCHOOL BUILDINGS OR ON SCHOOL PROPERTY AT ANY TIME.
