BIRMINGHAM COMMUNITY EDUCATION

FULL DAY CAMP COMBINATIONS AND KIDS CLUB OPTIONS

Create your day of fun...mix and match with camps at Birmingham
Covington School (BCS) 1525 Covington Road, Bloomfield Hills, MI 48301.

NO CAMPS JULY 3-7

Campers (Grades K-8th grade) attending camps at BIRMINGHAM COVINGTON SCHOOL (BCS) FROM JUNE 19-AUGUST 4 have several options:

- Combine a morning (9 a.m.-12 p.m.) and afternoon (12:30-3:30 p.m.) camp to create a full day of camp activities with a supervised lunch.
- Add before (7:30-9 a.m.) and/or after (3:30-6 p.m.) Kids Club (latchkey), for an additional charge.
- Add open swim or swim lessons to your week, for an additional charge. (See below.)

The location of Kids Club is in the Birmingham Covington School Cafeteria. Kids Club activities will include arts and crafts, games, free time and outdoor play. Register online to enroll your child in Kids Club. Enrollment is limited. Drop-in Kids Club (latchkey) is not available. There is a late fee of \$25 for pickup between 6:00 and 6:15 p.m.; and an additional charge of \$5.00 per minute after 6:15 p.m. Repeated late pick-ups may result in loss of this service.

IMPORTANT: YOUR CHILD MUST BE ENROLLED IN A SUMMER CAMP TO ATTEND KIDS CLUB.

AM KIDS CLUB: 7:30-9 a.m. \$30/5-day week (No camps July 3-7)
PM KIDS CLUB: 3:30-6 p.m. \$40/5-day week (No Camps July 3-7)

SINGLE VISIT KIDS CLUB - \$20.00 for AM or \$25.00 for PM. Must call the Birmingham Community Education office at 248.203.3800 to prepay and arrange. ***YOUR CHILD MUST BE ENROLLED IN A SUMMER CAMP TO ATTEND KIDS CLUB.***

SUPERVISED LUNCH OPTION

Campers (Grades K-8th grade) attending camps at Birmingham Covington School from June 19-August 4 attending a morning (9 a.m.-12 p.m.) and an afternoon (12:30-3:30 p.m.) camp in the same week, may stay for supervised lunch (12-12:30 p.m.) **AT NO ADDITIONAL COST. Register online for this free option by selecting the appropriate "Lunch Option" in addition to the summer camps for which you are registering your child(ren).** Parents also need to indicate the lunch option on your child's morning camp sign-in sheet when arriving at camp. Campers will need to bring their lunch and drink in a non-breakable container. There is NO food service onsite.

SUMMER FUN SWIM LESSONS & OPEN SWIM INFORMATION

Choose swim lessons or open swim time for your children when it's too hot, hot, hot and you just want your children to cool off or learn to swim in the Birmingham Covington School pool! Swim lessons will be taught by our certified lifeguard staff. Students will be grouped by skill level with no more than 1:8 instructor to child ratio.

OPEN SWIM OPTIONS FOR GRADES K-8

BY THE WEEK • JUNE 19-AUGUST 4 (NO OPEN SWIM OR WEEKLY LESSONS JULY 3-7)

DREAM ARTS

Dream Arts Co. is a Birmingham-based arts organization. DACO nurtures children, youth, and young adults' intellectual, artistic, and personal development through arts education, creative performance opportunities, and live theatrical events. Dream Arts Co. firmly believes the arts

have the power to transform lives. It's our goal to create a warm and welcoming environment where you can find friendship, conversation, enrichment, and entertainment. DACO is dedicated to providing cultural enrichment, engaging entertainment, and creative arts management training. DACO strives to build a safe space for budding performers and instill a love of performing arts in children and adults through quality education, training, and performance experiences.

NEW DRAMA CAMP SPOTLIGHT (Ages 7 - 10)

Find your place in the DACO SPOTLIGHT! This one-week camp provides an extraordinary theatre experience! We will spend one week learning all about the basics of acting. Our days are filled with character-building exercises, theater games, audition skills, and scene work. The week culminates with an informal sharing of material devised by students during the week. Dress for comfort with clothing that allows for free movement. Location: Birmingham Covington School

CHALLENGE ISLAND

Challenge Island is an award-winning STEAM enrichment program where kids work together in "STEAM Teams" to solve fun, hands-on "challenges" which teach them about STEAM fundamentals and cross-curricular topics, plus important success skills like creativity, critical thinking, problem solving and much more. Each of our summer camps are packed with activities and learning, and include lots of positive reinforcement and social interaction in a safe setting. In addition, for students who sign up for both a morning and afternoon camp, they are welcome to bring a sack lunch and hang out with our STEAM-professional instructors for the lunch hour at no extra cost, where we'll provide some additional activities, or some well-earned downtime as needed. We look forward to seeing you this summer on Challenge Island!

NEW STEAM Across the Universe (Grades K-5)

3... 2... 1 Blastoff! You and a STEAM Team of astronaut friends will create your own Mission Control Station and soar through the universe. You'll learn the spectacular science of space while taking on a galaxy of cosmically cool challenges: from Rocket Launch Day to Moon Day to Intergalactic Day to Alien Day. Don't miss out on this out-of-this-world Challenge Island camp! Students should bring a snack and wear sunscreen each day, as we will take snack and play breaks when possible. ELENA VICTORIA

Elena Victoria is a young fashion designer from Chicago who is using her love for fashion and design to positively impact the lives of so many. Since 2010, Elena has hosted camps and classes for students of all ages who share the same passion for sewing and fashion design. Elena finds reward in her work because of her biggest mission, building self-confidence in young children. After completing her bachelor's degree in Fashion Design & Technology at Purdue University, Elena worked as a designer for Abercrombie Kids, creating unique designs for their denim line. From there, she left the company to chase after her dream of designing for her private label and teaching youth how to sew. Seven years later, students all over the Metro Detroit and Chicago area are participating in her fun-filled sewing and design classes, leaving with a new sense of accomplishment and joy. The private label, Elena Victoria, is a specialty custom dress business that helps women of any age look good and feel great in a gown specifically made for them.

FASHION DESIGN AND SEWING CAMP
(Grades 2-8)

Come design and create your own clothing! Students will learn how to operate a sewing machine, sew garments from scratch, and see their designs come to life! A different garment will be made each day. No sewing experience required. This is a great class for all experience levels as the projects can be adjusted based on skill level. Students are encouraged to bring their own sewing machine. If they do not own one, a machine will be provided for them. The week ends with a fashion show on Friday where the students get to display all of their hard work! All materials are included. Camps can be booked AM and PM as well as multiple weeks as projects and fabrics differ from day to day. Repeat student? No problem! We will have a variety of new projects this year! Bring a peanut free snack and beverage. Location: Birmingham Covington School

JEWELRY MAKING CAMP
(Grades 1-8)

This summer, sign up for a fun week of jewelry making! Learn how to use polymer clay to create handmade pendants, earrings, necklaces, and more. There is a live fashion show for parents to attend at the end of the week for the students to showcase all of their hard work. The camp price includes all supplies and materials necessary for creating tons of handmade pieces by the end of the week. All levels of experience are welcome to join camp. For those students who are looking to attend more than one week of camp, please note that each week will feature a different series of projects as well as new clay colors and designs to choose from. New addition to our curriculum this year - handmade beads! You don't want to miss it! Bring a peanut free snack and water bottle. Location: Birmingham Covington School

NUTTY SCIENTISTS

A wacky way to make science stick.

Since 1996, children around the world have benefited from the Nutty Scientists® method for learning through experimentation, participation, and most of all – fun! Through our revolutionary methodology and programs, which span many areas of science, sustainability and general life education, we teach scientific concepts in a way that children understand and remember.

Nutty Scientists® Southeast Michigan Camps are an innovative form of “edutainment” (entertainment + education). Combining fun with learning, each camp contains an educational theme that keeps children engaged from day to day. One new theme is learned each day, and all activities are related to this theme, therefore children stay focused on one subject matter, solidifying the concept.

THE SCIENCE OF HARRY POTTER GR 1-4

From potions to the zoology of fantastic beasts we will explore scientific concepts of the magical world of Harry Potter. Our classroom experiments will focus on the different themes of both the books and the films. We can even make Quidditch scientific! Campers should bring a snack, a water bottle, and a smile :) Location: Birmingham Covington School

NEW SCIENCE FICTION, SCIENCE FACT GR 1-4

“A long time ago, in a galaxy far, far away...” is how one of the most famous movies, Star Wars, starts! It is full of action-packed adventures in space, with fun aliens, cool characters, and exciting scenes of spaceships blasting through space, making the fun laser “pew, pew!” sounds. But, if we look at science facts, not science fiction, the spaceships should not be making any noise that we can hear at all, because sound cannot travel in outer space! In this camp, we will explore some of your favorite movies and figure out what is science fiction, and what is science fact! IMPROV FUN & GAMES with MR. HOFF

Mr. Jon Hoff has been a Paraprofessional in the Birmingham school system for nine years, and five years working in the Farmington, Southfield, and Northville school systems, assisting grade K-12 teachers with special needs children. He has always enjoyed sharing his love of theater and imagination with grade school and middle school children, and has put on several very successful after school plays, including Macbeth, Hamlet, Dracula, Frankenstein, Oliver Twist, and Hound of the Baskervilles. He has also taught after school and summer improv sessions for over five years, using games and exercises to teach kids the art of improvisation. His excellent interpersonal communication skills, sharp wit, and gentle spirit make for a warm, welcoming environment where kids can relax and learn some very cool skills while realizing the importance of listening, trusting, and respecting their fellow actors.

NEW IMPROV FUN AND GAMES (Grades 5-8)

In this class we'll play a bunch of theater games to learn and grow our improv skills. We also workshop how to develop the elements that make up a good scene, such as setting, conflict, and resolution, which are at the heart of great improv. Don't worry if you've never acted before. All you need is a good imagination and a great attitude. One thing is for certain, it'll be a fun ride! Repeat campers will benefit from having experience but games will be different to play that teach improv. Some games will repeat but because students are different each week the improv will change. Bring snack and water bottle. Location: Birmingham Covington School.

TECH4U

Angelita Davis is a certified teacher and technology specialist who was hired by the State of Michigan to train teachers on 21st Century Teaching and Learning. During this time she led 45 schools in Technology on how to access a variety of educational resources that inspire student creativity, critical thinking, and collaboration. She has over 15 years of working with interactive technology. She is passionate and enthusiastic about students exploring careers related to Science, Technology, Engineering, Arts, and Mathematics (STEAM). She believes that elementary students must have STEAM knowledge and experience at a very early age to compete globally. Angelita is proud that both of her children attend Birmingham Public Schools at Berkshire Middle School and Bingham Farms Elementary.

NEW MBOT SUMMER CAMP (GR 3-5)

mBot summer camp is a STEAM (Science, Technology, Engineering Arts & Mathematics) coding robotic class for beginners, intermediate and advanced students. Every student on the team will receive hands-on training in building, programming, and solving coding tasks. Students will program robots using block-based programming language. This programming language allows the robots to move, make noise, light up, and follow other instructions that students program. Students will participate in a mBot Balloon Battle competition and a mBot soccer competition. The last mBot standing from each round will take home the metal. Students will have a blast learning engineering skills in this class. Please bring snacks and water bottle. Location: Birmingham Covington School

SAFETY ZONE with Mrs. Saperstein

My name is Erica Saperstein and my passion is teaching! I graduated from Seaholm High School, received my bachelors and credentials from California State University of Northridge, and moved to a small town in Northern California, about three hours north of San Francisco, where I taught for 10 years. Last summer I moved back to Michigan where I'm currently a second grade teacher and I could not be more excited about Safety Zone! It is so important for children to learn the basic safety lessons they will use for the rest of their lives! Being a mom of a five-year-old and a teacher, I see the importance of every child knowing they have the power to stay safe and have fun. I am extremely excited to provide quality instruction about community safety, giving you a peace of mind in knowing that you helped your child become a safer community citizen.

SAFETY ZONE 2023 - Ages 4 and 5 years old

This program is designed to teach children about safety in a fun and interactive learning environment. Safety Zone is a weeklong summer program where kids learn how to be safe in their homes and throughout their community. In this interactive program, children will learn street safety in a child-size town. They will learn about crosswalks, street lights, and traffic safety. They will also learn how to ride a bus, as well as bike safety and how to bike around town. With the help of guest speakers, they will learn Fire and Police safety, including emergencies and dialing 911. Safety Zone teaches children basic safety lessons they will use for the rest of their lives. Children must bring their own bike/trike and bike helmet. Bring a snack, water bottle and a smile:) Location: Birmingham Covington School

2023 Camp Registration Information

REGISTER ONLINE at www.communityed.net: Registration begins February 15, 2023. Registrations are taken on a first-come, first-served basis. **Receipts AND ALL CORRESPONDENCE are sent by EMAIL ONLY** — please make sure we have your correct email address in your “Household” profile. **REGISTER EARLY — SPACE IS LIMITED!**

NO REFUNDS ONCE A CAMP HAS STARTED.

There is no prorated fee for campers arriving after the start of the week or leaving before its completion. Cancellation and switching week fees will be assessed at \$10/per camper/per switch. Switching weeks may also limit availability. If camps are cancelled due to severe weather, power failure or other circumstances beyond our control, we regret that we cannot issue refunds. **Please note “Material Fees” are not refunded if the camp is dropped after the first day.**

Camp Location Changes

Birmingham Community Education reserves the right to change a camp's location due to unforeseen building closures and scheduling changes.

Please Do Not Bring To Camp

Birmingham Public Schools and Community Education are NOT responsible for any item lost, stolen or broken during camp. Please leave the following items at home: personal video game players, cell phones, skate shoes (heelys), MP3 players/Ipads and computers. Please leave valuables at home!

Discipline Policy

Our camp provider's policy is to create a safe, nurturing environment for campers and staff. Behavior that is emotionally or physically harmful, either to oneself, or another camper or a staff member will not be tolerated. If a camper is verbally or physically abusive, a warning will be given. This will be documented and the parents will be contacted. If the camper repeats the offense a second time, it will result in complete expulsion from summer 2023 programs. Absolutely no refund will be given. The camp reserves the right to immediately dismiss a camper under certain circumstances.

Extra-Special Attention

Please let us know if your child has special needs: i.e. physical, emotional, educational, or medical. Please call us at 248-203-3822. Advise us of any severe allergies or chronic illness. This includes information regarding food or airborne allergies. **PLEASE** select camps that will not trigger or aggravate a medical condition.

Medication

If your child requires medication during camp hours, it must be administered by staff and requires the completion of an “Administration of Medication Form.” This form is available on the homepage at the Community Education website: www.communityed.net. Bring the completed form (SIGNED BY YOUR PHYSICIAN), an attached picture of your child, and the medication to the first day of camp.

Daily Dismissal Information

Campers must be picked up promptly at camp dismissal time. **PHOTO I.D. IS REQUIRED AT PICK-UP!** For safety reasons, children will not be allowed to meet their parents in the parking lot. Campers who walk to and from camp must have a letter from their parent/guardian.

We Do Our Very Best To Get It Right.

We take great care to check the accuracy of all information in our brochures and on our website. However, we cannot be responsible for inadvertent and unintentional errors and we reserve the right to correct them.

Please know that we draft our summer brochure months in advance of publication to your mailbox. We continue to follow all state guidelines regarding in-person returns, and may make changes to our programming based on these state requirements. ***You can learn more about our response to pandemics and plans on our website at www.birmingham.k12.mi.us/covid19***

Photography/Video Policy

Occasionally a photographer may take pictures of students for use in Birmingham Public Schools or local media publications. If you do not wish publication of a photograph of your child, it is YOUR responsibility to send a written request to the Community Education Office prior to the start of camp.

Camp Cancellations

Register Early! The most common reason for cancellation is low enrollment. Birmingham Community Education reserves the right to limit the enrollment or cancel any camp or class due to insufficient registrations. Every effort will be made to notify registrants that a camp has been cancelled. **Notification of cancellations are sent via email.** Any person registered in a cancelled camp will receive a full refund or may transfer to another camp, if spots are available.

Notice of Nondiscrimination

The Board of Education is committed to maintaining a learning/working environment in which all individuals are treated with dignity and respect, free from discrimination and harassment. There will be no tolerance for discrimination or harassment on the basis of race, color, national origin, religion, sex, sexual orientation, marital status, genetic information, disability or age. The District prohibits harassment and other forms of discrimination whether occurring at school, on District property, in a District vehicle, or at any District related activity or event. The Superintendent will designate compliance officers and develop and implement regulations for the reporting, investigation and resolution of complaints of discrimination or harassment. The following people have been designated to handle inquiries regarding the nondiscrimination policies: Students - Inquiries related to discrimination on the basis of disability should be directed to: Executive Director of Special Education, 31301 Evergreen Road Birmingham, MI 48025, 248.203.3000. Direct all other inquiries related to discrimination to: Assistant Superintendent of Human Resources, 31301 Evergreen Road, Birmingham, MI 48025, 248.203.3000.

Injuries and Personal Property Damage and Loss

We are frequently asked: “Are my children or am I insured by Birmingham Public Schools in the event of injury while participating in a school district program?” A follow-up question is: “Does the district have insurance to protect personal property that I or my children may bring to school?” The answer is “no.” BPS does not provide insurance for injuries, damage, or loss of property. A State of Michigan statute grants the Birmingham Public School District and other public bodies (e.g., cities, villages, etc.) with immunity to tort liability. What this means is that because we are a public agency funded through tax dollars and we are providing a public service, we are not held liable in the event of injury or loss of property. The Board of Education has decided that the district should not use taxpayers' tax dollars to provide for these risks. Your homeowner's policy may cover property damaged or lost from the school premises (e.g., automobiles, bicycles, band instruments, calculators, etc.) **WE ENCOURAGE YOU TO MAKE SURE THAT YOU HAVE ADEQUATE HEALTH AND PROPERTY DAMAGE/LOSS INSURANCE COVERAGE.**

PLEASE NOTE:

WE CANNOT ACCOMMODATE GUESTS.

NO SMOKING, NO VAPING,

NO ALCOHOLIC BEVERAGES and

NO ANIMALS (NO PETS) IN SCHOOL BUILDINGS
